AMENDMENT 004

This amendment 004 is raised to:

- 1) Answer questions from potential bidders,
- 2) Amend the insurance requirements at Annex G – Insurance Requirements, and
- 3) Amend references in mandatory and point rated criteria at Annex H – Technical evaluation of bids for Halifax class oily water separator system.

1) Questions and Answers:

Q10: Annex G – Insurance Requirements for the Oily water separator bid for solicitation no. W8482-156642/A where it states that the “Contractor must obtain Marine General Liability Insurance, and maintain it in force throughout the duration of the Contract, in an amount usual for a contract of this nature, but for not less than \$10,000,000 per accident or occurrence and in the annual aggregate.” Would be if our General Insurance policy would be accepted in lieu of the Marine General Liability Insurance policy and the amount be lowered to \$2,000,000.

A10: Yes, Canada is changing the insurance requirement from Marine General Liability with \$10,000,000 per accident or occurrence Insurance to Commercial General Liability Insurance with \$2,000,000 per accident or occurrence. The bidder must ensure that their policy(ies) covers at a minimum the requirements described at Annex G - Insurance Requirement.

Q11: If a bidder were to schedule a meeting when at the bidders' conference but it was not required and cancel, would that have a negative effect on a bidder's proposal?

A11: Cancelling a 1-1 meeting if scheduled will have no impact on any bidder's proposal. The 1-1 meetings are set up for informational purposes only.

2) Amendment to Insurance Requirement in response to Question 10:

DELETE at Annex G – Insurance Requirement, article 1:

1. The Contractor must obtain Marine General Liability Insurance, and maintain it in force throughout the duration of the Contract, in an amount usual for a contract of this nature, but for not less than \$10,000,000 per accident or occurrence and in the annual aggregate.
