Amendment No. 004

This amendment is being raised to 1) incorporate an Extension of Time for the receipt of proposals and 2) provide responses to Requests for Clarification.

1) EXTENSION OF TIME

Notice is hereby given that the closing date for the reception of proposals previously due Thursday, March 19, 2020 is extended to **14:00 hours, Monday, March 30, 2020.**

2) REQUESTS FOR CLARIFICATION

- Q1. In light of the COVID-19 situation and increased quarantine measures, we would like to formally ask for an extension to the submission deadline of Solicitation No. EQ754-201214/A (Ontario Region – Dam & Water Retaining Structures Engineering Services – Request for Standing Offers).

Certain crucial team members contributing to the submission are partaking in voluntary isolation due to potential exposure. Although they are currently working from home, the uncertainty and changing nature of the situation (for these individuals and in general) may cause unforeseen disruptions and delays, which could prevent us from delivering the submission on time.

- A1. The closing date for the Request for Proposal will be extended to March 30, 2020.

All other terms and conditions of the solicitation remain the same
