Referencing Standing Offer 5P201-102001/A dated February 12, 2020, this amendment # 003 is raised to incorporate the following supplier question and answer into RFSO;

---

**Question 1:** In Annex B, I was wondering if adding additional rows would be acceptable if you were wanting to submit more containers than space allow.

Manufacturer may have more product options available then space allows, different designs features require different containers as well as could have different container aesthetics.

**Answer 1:** As stated in paragraph section 4.2 of the Request for Standing Offers, Basis of Selection: "An offer must comply with the requirements of the Request for Standing Offers and meet all mandatory technical evaluation criteria to be declared responsive. The responsive offer with the lowest evaluated price on an item by item basis will be recommended for issuance of a standing offer.

Only one (1) offer per item per region will be recommended for issuance of a standing offer."

Also as detailed in Annex B, the Offeror has to submit pricing of each product, for only one type of the acceptable proposed material for each category "Animal Resistant".

The materials proposed are equally acceptable and the "other durable material" will be evaluated to determine if it is equally acceptable, if applicable.

**ALL OTHER TERMS AND CONDITIONS OF THE STANDING OFFER REMAIN UNCHANGED.**
