This amendment is raised to answer the following questions from industry:

Question 1:

Regarding the procurement Harvest Grain Envelopes (5K003-192060/A): **Mandatory Technical Evaluation Criteria, T7, Bidder must provide detail of previous experience obtained within the last five (5) years in development, creation and printing of encoded barcode for at minimum one (1) like project(s) that they have completed.** Would you please clarify if you expect us to provide the barcoding experience in like projects as follow:

x zipper tab opening;
x re-sealable surfaces;
x peel and stick adhesives surfaces;
x printing on front, back and inside of envelopes.
or any other encoded barcode experience is acceptable?

Response 1:

Please refer to Mandatory Technical Evaluation Criteria items: T2 Experience and Capacity and T7 Encoded Barcode Experience, as both must be demonstrated. The mandatory evaluation criteria T7 Encoded Barcode Experience is specific to encoded barcode experience, T2 Experience and Capacity is a separate mandatory evaluation criteria.

Question 2:

T6, Bidder must provide "Letter of Approval" from CPC stating that they are approved to print the next generation barcode for encoding as per requirements of Specification 3575 version 10. Should we provide it with our bid?

Response 2:

Yes, the "Letter of Approval" should be submitted with your bid.
