**ADDENDUM NO. 1**

Subject: **RFP Request for Proposal. FP802-200015**

Title: Placing, Lifting/Removal, Maintaining and the Servicing of Buoys on Lake Winnipegosis –  
Manitoba

Dear Sir/Madam:

Further to the above-mentioned Invitation to Tender, this Addendum no.1 is to advise potential bidders of the following question & answer:

**Question 1:** I was just wondering if what is being asked on the technical bid if just a declaration of the procedure of how the work will be carried out on the vessel and a brief summary of where the navigation aids will be deployed from for the different areas of the lake will be sufficient.

**Answer 1:** Yes, a description of how the work will be carried out on the vessel and a summary of where the navigation aids will be deployed from for the different areas of the lake will be sufficient.

**All other terms and conditions remain unchanged.**

Yours truly,

**Stéphane Julien**
