This amendment, No. 002, is raised to respond to questions raised in response to solicitation W6895-200047.

Question 1: Is there an opportunity to view or physically tour the kitchens so we can better understand the scope of work involved? Kitchens and canopies can have a high variation in both size and design. Is it possible to obtain photographs or a more detailed description of the kitchens?

Response: Given the current situation with the Covid-19 pandemic, the federal government is attempting to enact appropriate public health measures in regards to procurement processes. As a result, we are attempting to limit in-person events like site visits. Therefore, we will not be able to accommodate a site visit for this solicitation.

We acknowledge that there can be variations in kitchen sizes and designs and thus, the level of effort required in cleaning. For this reason, we have revised Annex B: Basis of Payment so that bidders will provide pricing in the form of hourly rates.

Instruction: **DELETE** the original version of Annex B: Basis of Payment, and **INSERT** the revised Annex B which is provided on the following pages.

* * ALL OTHER TERMS AND CONDITIONS REMAIN IN EFFECT. * *

ANNEX B

BASIS OF PAYMENT

Bidders must provide pricing for all items listed herein. Failure to provide pricing for any items will result in the bid being deemed non-compliant.

Rates must include all labour, materials, tools, equipment, transportation, supervision, travel time and expenses for personnel as applicable.

Usage estimates are provided for evaluation purposes only and should not be assumed to be an accurate reflection of business volumes under the resulting contract.
