**QUESTIONS AND ANSWERS**

**Question 19:** In past tenders we responded to for the RCMP, the limitation of liability is usually capped with a maximum value. We are requesting if this tender can set a limitation of liability rather than leaving it open and unlimited?

***2030 26 (2008-05-12) Liability***

The Contractor is liable for any damage caused by the Contractor, its employees, subcontractors, or agents to Canada or any third party. Canada is liable for any damage caused by Canada, its employees or agents to the Contractor or any third party. The Parties agree that no limitation of liability or indemnity provision applies to the Contract unless it is specifically incorporated in full text in the Articles of Agreement. Damage includes any injury to persons (including injury resulting in death) or loss of or damage to property (including real property) caused as a result of or during the performance of the Contract.

**Answer 19:** The Standard Acquisition Clauses and Conditions (SACC) Manual clause you are referring to is, 2030 (2018-06-21) General Conditions -Higher Complexity Goods, and is not applicable to this solicitation.

This solicitation is under clause: 2010A (2018-06-21) General Conditions - Goods (medium complexity), and no liability requirement is identified.

As well, under Section 6.13 SACC Manual clauses of the solicitation identifies clause: G1005C (2016-01-28) Insurance – No Specific Requirement.
