AMENDMENT #006

This amendment solicitation is raised to answer questions from the industry.

To answer the following questions from the industry:

QUESTION 1:

Would Canada agree to insert a liability cap into this solicitation in the amount not to exceed 10M (\$CAD)?

ANSWER 1:

Canada has reviewed the request and the terms and conditions remain unchanged.

QUESTION 2:

In reference to SACC 4001 (2010-01-11), section 26, bullet 2 reads:

“For Return-to-Depot Maintenance Service, during the PPM throughout the Hardware Maintenance Period, the Contractor must pick up and return the Hardware to and from the location in Canada where the Hardware was in use at the time the problem occurred. The Contractor must pick up the Hardware requiring maintenance within forty-eight (48) hours of Canada requesting maintenance. Within six (6) working days of Canada requesting maintenance, the Contractor must restore the Hardware to Fully Functional Operation and return it to Canada at the location where it was in use at the time the problem occurred, or must deliver a replacement that meets the requirements of the Contract.”

Would Canada agree to either amend sentence 3 or can superseding language be inserted into the solicitation to read as follows: “Within fourteen (14) working days of Canada requesting maintenance, the Contractor must restore the Hardware to Fully Functional Operation and return it to Canada at the location where it was in use at the time the problem occurred, or must deliver a replacement that meets the requirements of the Contract.”

ANSWER 2:

Canada has reviewed the request and the requirement remain unchanged.

ALL OTHER TERMS AND CONDITIONS OF THE BID SOLICITATION REMAIN UNCHANGED
