TITLE:

RISO - Regional Individual Standing Offers for the Rental of "Telescopic Boom" Forklifts

AMENDMENT 001

To answer questions from the industry.

Enquiries - Bid Solicitation - Clause # 2.3

To ensure consistency and quality of information provided to bidders, significant enquiries received and the replies to such enquiries will be provided simultaneously to bidders to which the bid solicitation has been sent, without revealing the sources of the enquiries.

Here are the questions which we have received until now:

QUESTION-1

For Category 1, do you accept: 5970 lbs and 20 feet of lift height?

ANSWER – 1

No, we do not accept 20 feet of lifting height.

QUESTION-2

For Category 2, do you accept 8800 lbs of capacity?

ANSWER – 2

No, we do not accept 8800 lbs of capacity. The proposed capacity belongs to category 1.

QUESTION-3

For category 2, we ask if there is an opening for substitutes. We can offer a telescopic forklift with standard configuration (no 360 vision) of 10,000 lbs of capacity and 55 'or 56' mast length.

ANSWER – 3

No, we do not accept substitutes. We are keeping on the "360 degree vision" configuration for security reasons. The operator should not have his sight obstructed by the mast when lowered.

****ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME****
