AMENDMENT 005

TITLE: MAINTENANCE DREDGING MONTRÉAL – ST-ANTOINE

Included in the present amendment:

1. Questions and answers 4

QUESTIONS AND ANSWERS:

Question 4: Can you confirm that you will require the provision at the time of submission of the certificates of compliance? As a result, IG-06 (2017-09-21) is still in force and floating equipment must comply with Canadian laws (the Coasting Trade Act and Canada's shipping Act 2001) in order to work. Can you confirm that dredgers and other floating tools for dredging must be Canadian-made to comply with the Floating plant clause (FPC)? Can you confirm that dredges and other floating tools must also comply with the Delegated Statutory Inspection Program (DSIP) therefore hold a certificate of delegation from a recognized classification company or be certified by Transport Canada?

Answer 4: Yes, we still require the certificates of compliance that are specified in IG-06.
Regarding the Delegated Statutory Inspection program (DSIP), we ask to respect it, although its application is not under our authority.
