**ADDENDUM NO. 2**

Subject: **ITT Invitation to Tender No. FP802-200019**

Title: **Aid To Navigation Tower Replacements, Fort Malden Range Towers**

Location: **Amherstburg, Ontario.**

Closing Date: **Thursday, April 30, 2020 @ 1:00 PM EDT (Eastern Daylight Time)**

Dear Sir/Madam:

Further to the above-mentioned Invitation to Tender, this **Addendum #2** is to advise potential bidders of the following questions and answers to Bidders questions received to date:

- Q1. I can't seem to find the drawing for the new foundations could you please let me know where it is ?
- A1. The new foundation drawings can be found in the revised appendix E package uploaded on April. 17.
- Q2. Will the tower be shipped in one piece or pieces to be assembled together? And who assembles them?
- A2. The front tower will be shipped in one piece and the rear tower will be shipped in two or three pieces. The contractor is to join the pieces together as part of the installation process.
- Q3. Can we get estimated weights of the towers for crane sizing?
- A3. The front tower is estimated to weigh 2600 kg and the rear tower is estimated to weigh 5500 kg when fully assembled.
- Q4. Where will they be dropped off at? On site or at the staging area (Coast Guard Base)
- A4. Any materials supplied by CCG will be stored at the staging location (CCG Base Amherstburg).

- Q5. Will the day markers be supplied assembled or do we have to put them together?
- A5. The daymarks will each be supplied in two pieces, each piece is to be installed on the towers by contractor.
- Q6. I don't see any grounding cables for lightning strikes, is this not required?
- A6. Grounding is not required.
- Q7. Is there flexibility in adjusting the project completion date should there be Covid-19 restrictions in operating at job site?
- A7. Yes, upon contract award, the project completion date may be extended due to unforeseen events, ie weather conditions, or Covid-19 restrictions at job site.

All other terms and conditions remain unchanged.

Yours truly,
