**WORKSPACE BOOKING SOLUTION RFI**

**FILE NO. RFx000153**

**QUESTION 19**

Question no. 16 in the ‘5.4 Questions’ section– “Is the solution managed centrally? Please provide details.”

We would be pleased if you could provide more information as to what parameters or specific details CMHC is looking for in the answer. The information would be a lot helpful in tailoring our response to CMHC needs considering the present infrastructure.

**CMHC RESPONSE**

Please disregard this question as we realize it doesn't apply in a SasS environment.
