Description of Work:

Title: Qualiware Enterprise Architecture capacity for ESDC projects.

Qualiware Enterprise Architecture Solution has been in place at ESDC since 2014. ESDC requires on-going professional services on an “as and when requested” basis for various Enterprise Architecture related projects that are already in place and/or new ones that will be implemented.

These services are intended to help create a strong Enterprise Architecture Governance within ESDC that will:

- ✓ assist the department in meeting its program delivery mandate
 - ✓ align the IT and Business to meet organizational objectives
 - ✓ achieve unified enterprise architecture with improved understanding and sharing of architectural information
- Bidders must submit a bid for all resource categories
 - The work is currently not being performed by a contracted resource

Security Requirement:

Common PS SRCL #19 applies

Minimum Corporate Security Required:

Facility Security Clearance at the level of Secret

Minimum Resource Security Required:

Reliability Status, Confidential or Secret as required

Contract Authority

Name: Ekaterina Suvorova
