Amendment 001 is raised to answer the questions below;

Question: "Item 1.3 Provide examples of projects which have been successfully completed, including the names of the clients, the dates, approximate magnitude of the projects and accuracies achieved."

Would it be acceptable for us to present our partner's previous projects and experiences (who will be our sub-contractor) for Item 1.3, while we are the bidder?

Answer to Question 1: No it is not acceptable for the Prime Consultant to present their partner's previous projects and experiences (who will be their sub-contractor) for Item 1.3, while they are the bidder. The Prime that is submitting the proposal must provide examples of their own projects which they have completed successfully or will be deemed non-responsive. While its acceptable to use sub-contractors, the Prime, as principle, must demonstrate that they have experience conducting such projects.

All Other Terms and Conditions Remain the Same.
