This amendment #003 is raised to modify solicitation EW479-172986/G as follows:

1) Delete:

1.2.8

Replace with:

1.2.8 Considering accessibility criteria and features is mandatory with this requirement. For additional information consult the Contracting Policy Notice 2019-01: Changes to Contracting Limits and Approval of Contracts with Former Public Servants, and New Requirements for Accessibility which has recently been amended to specify:

4.2.26. Where appropriate, departments must:

4.2.26.1 include accessibility criteria when specifying requirements for goods and services

4.2.26.2 ensure that deliverables incorporate accessibility features.

4.2.27. Consistent with trade agreements and comprehensive land claims agreements, if the department determines that it is not appropriate to include accessibility criteria as part of commodity specifications, or if it is unable to obtain goods or services that comply, the client or technical authority must ensure that clear justification is on file.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME
