This amendment is raised to answer the following question:

Question 1:

We would like to bid on contract K2A52-200554/C but I would like to know if it will be possible to have a sample.

Answer 1:

Unfortunately, we are not able to provide a sample of bird bands. The USGS bird banding laboratory website provides some additional information about bird bands.

https://www.usgs.gov/centers/pwrc/science/about-federal-bird-bands?qt-science_center_objects=0#qt-science_center_objects

The images on the website are not specific to the particular sizes and stamping that we are requesting, but rather show the shape and general design.

The sizes we are ordering are similar to the smallest sizes in the top picture, while the enlarged images under "butt-end bands" are bigger sizes than we are requesting.

Thank-you for your interest.
