Amendment 001 to solicitation EP971-200002/A

The RFP amendment 001 is raised to:

- i. Update section **1.1. Intention of this Request for Proposal**; and
- ii. Replace section **1.7. Statement of Work**.

1. At section **1.1. Intention of this Request for Proposal**:

Delete:

This Request for Proposal (RFP) is being issued to supplement existing Warehousing, Inventory Control and Freight Forwarding services in response to the COVID-19 pandemic, for items originating in Asia and being delivered to Canada. The purpose of this activity is to determine and establish additional capacity and contingency for services outlined in Annex A, above that currently performed by the currently contracted vendor. Canada is currently utilizing this primary contracted vendor for these services, and has intentions to maintain those services going forward.

Insert:

This Request for Proposal (RFP) is being issued to supplement existing Warehousing and Inventory Control services outside of Canada (mainly Asia) and Freight Forwarding services to Canada in response to the COVID-19 pandemic. The purpose of this activity is to determine and establish additional capacity and contingency for services outlined in Annex A, above that currently performed outside of Canada (mainly Asia) by the currently contracted vendor. Canada is currently utilizing this primary contracted vendor for these services, and has intentions to maintain those services going forward.

2. Replace section **1.7. Statement of Work** in its entirety with the following:

Services required are Warehousing and Inventory Control outside of Canada (mainly Asia) and Freight Forwarding to Canada in response to the COVID19 pandemic. The statement of work outlined in Annex A outlines the specific request for this RFP. Please note that most of the current and anticipated shipment volume have an origin of the Shanghai (PVG) gateway, however given current and projected capacity constraints, Canada is looking at additional export gateway options.
