Questions & Answers # 6

Q11. Under PR3.1.3 (Canadian Professional Accreditations) please confirm whether a Masters Degree in Occupational Health and Safety (issued by a Quebec University) combined with 34 years of work experience as a Senior Industrial Hygienist will receive points (how many) under the Canadian professional accreditation for Certified Industrial Hygienist.

A11. *To be awarded points under PR3.1.3 Canadian professional accreditations, the proposed professional must hold a valid license or certification under a Canadian professional order in at least one (1) of the listed professional categories. The Bidder should provide a letter from the professional association or a copy of the professional certification. Professional standing may be verified during bid review. Combined education and professional experience is not an accepted substitute. As such, a Master's graduate with 34 years of experience would not be awarded any points (0 points) under PR3.1.3.*
