**Question 1:**

The address provided in the RFPO W8484-219775/C to open an Epost Connect conversation doesn't work.

**2.2 Submission of Offers**

This email address is to be used to open an epost Connect conversation, as detailed in Standard Instructions 2006, or to send offers through an epost Connect message if the Offeror is using its own licensing agreement for epost Connect.

Due to the nature of the Request for Standing Offers, transmission of offers by facsimile to PWGSC will not be accepted.

**Answer 1:**

As per SACC Clause 2006 ( hyperlink: <https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual/1/2006/23#transmission-by-facsimile> ) :

**08 (2019-03-04) Transmission by facsimile or by epost Connect**

**1. Facsimile**

- a. Unless specified otherwise in the RFSO, offers may be submitted by facsimile.

- i. PWGSC, National Capital Region: The only acceptable facsimile number for responses to RFSOs issued by PWGSC headquarters is 819-997-9776 or, if applicable, the facsimile number identified in the RFSO.
  - ii. PWGSC regional offices: The facsimile number for responses to RFSOs issued by PWGSC regional offices is identified in the RFSO.
- b. For offers transmitted by facsimile, Canada will not be responsible for any failure attributable to the transmission or receipt of the faxed offer including, but not limited to, the following:
  - i. receipt of garbled, corrupted or incomplete offer;
  - ii. availability or condition of the receiving facsimile equipment;
  - iii. incompatibility between the sending and receiving equipment;
  - iv. delay in transmission or receipt of the offer;
  - v. failure of the Offeror to properly identify the offer;
  - vi. illegibility of the offer; or
  - vii. security of offer data.
- c. An offer transmitted by facsimile will constitute the formal offer of the Offeror and must be submitted in accordance with section 05.

## 2. epost Connect

- a. Unless specified otherwise in the RFSO, offers may be submitted by using the [epost Connect service](#) provided by Canada Post Corporation.
  - i. PWGSC, National Capital Region: The only acceptable email address to use with epost Connect for responses to RFSOs issued by PWGSC headquarters is: [tpsgc.dgareceptiondessaoumissions-abbidreceiving.pwgsc@tpsgc-pwgsc.gc.ca](mailto:tpsgc.dgareceptiondessaoumissions-abbidreceiving.pwgsc@tpsgc-pwgsc.gc.ca), or if applicable, the email address identified in the RFSO.
  - ii. PWGSC regional offices: The only acceptable email address to use with epost Connect for responses to RFSOs issued by PWGSC regional offices is identified in the RFSO.
- b. To submit an offer using epost Connect service, the Offeror must either:
  - i. send directly its offer only to the specified PWGSC Bid Receiving Unit using its own licensing agreement for epost Connect provided by Canada Post Corporation; or
  - ii. send as early as possible, and in any case, at least six business days prior to the RFSO closing date and time, (in order to ensure a response), an email that includes the RFSO number to the specified PWGSC Bid Receiving Unit requesting to open an epost Connect conversation. Requests to open an epost Connect conversation received after that time may not be answered.
- c. If the Offeror sends an email requesting epost Connect service to the specified Bid Receiving Unit in the RFSO, an officer of the Bid Receiving Unit will then initiate an epost Connect conversation. The epost Connect conversation will create an email notification from Canada Post Corporation prompting the Offeror to access and action the message within the conversation. The Offeror will then be able to transmit its offer afterward at any time prior to the RFSO closing date and time.
- d. If the Offeror is using its own licensing agreement to send its offer, the Offeror must keep the epost Connect conversation open until at least 30 business days after the RFSO closing date and time.

- e. The RFSO number should be identified in the epost Connect message field of all electronic transfers.
- f. It should be noted that the use of epost Connect service requires a Canadian mailing address. Should an offeror not have a Canadian mailing address, they may use the Bid Receiving Unit address specified in the RFSO in order to register for the epost Connect service.
- g. For offers transmitted by epost Connect service, Canada will not be responsible for any failure attributable to the transmission or receipt of the offer including, but not limited to, the following:
  - i. receipt of a garbled, corrupted or incomplete offer;
  - ii. availability or condition of the epost Connect service;
  - iii. incompatibility between the sending and receiving equipment;
  - iv. delay in transmission or receipt of the offer;
  - v. failure of the Offeror to properly identify the offer;
  - vi. illegibility of the offer;
  - vii. security of offer data; or,
  - viii. inability to create an electronic conversation through the epost Connect service.
- h. The Bid Receiving Unit will send an acknowledgement of the receipt of offer document(s) via the epost Connect conversation, regardless of whether the conversation was initiated by the supplier using its own license or the Bid Receiving Unit. This acknowledgement will confirm only the receipt of offer document(s) and will not confirm if the attachments may be opened nor if the content is readable.
- i. Offerors must ensure that that they are using the correct email address for the Bid Receiving Unit when initiating a conversation in epost Connect or communicating with the Bid Receiving Unit and should not rely on the accuracy of copying and pasting the email address into the epost Connect system.
- j. An offer transmitted by epost Connect service constitutes the formal offer of the Offeror and must be submitted in accordance with section 05.
