RE: Approval under the *Canadian Navigable Waters Act* (CNWA), for the alteration of the following works below located on Restigouche River, at approximately -66.68167 - 48.01056, , in the province of New Brunswick

- Obstruction
- Bridge

Please find enclosed an approval for the above-noted work issued by the Minister of Transport under subsection 7(6) of the CNWA. This approval replaces any previous approvals that have been issued in relation to this work (if any) and will be the sole approval for this work until such time as a new approval is issued for any future changes.

In order to issue this approval, the Minister has considered each of the factors listed in subsection 7(7) of the Act, additional information provided by you (if applicable) and any adverse effects that the decision to approve the work may have on the rights of the Indigenous peoples of Canada recognized and affirmed by section 35 of the *Constitution Act, 1982*.

This approval relates only to the interference of your work with navigation under the CNWA and does not grant any rights related to the ownership of the bed of the navigable water.

Please note that it is the owner's responsibility to comply with any other applicable laws and regulations.

Should you have any questions, please do not hesitate to contact our office in Atlantic by phone at 506-851-3113 or by e-mail at NPPATL-PPNATL@tc.gc.ca.

Respectfully,

Denis Thibodeau

APPROVAL

APPLICANT: Public Services and Procurement Canada
1713 Bedford Row
Halifax NS B3J 3C9

WORK: Obstruction
Bridge

SITE LOCATION: Located at approximately 48.01056, -66.68167,
Restigouche River, Restigouche County in the province of New Brunswick

As per the application (detailed above) to the Minister of Transport, submitted pursuant to the *Canadian Navigable Waters Act*, for an approval of the work per the attached plans, the Minister hereby approves the work pursuant to subsection 7(6) for the alteration, of the above mentioned work, in accordance with the following terms and conditions:

- Cautionary buoy(s) (yellow) must be lit with a yellow flashing light from dusk to dawn and during periods of restricted visibility
- Cautionary buoy(s) (yellow) must be placed upstream and downstream of the temporary work
- The Minister or his representatives must be allowed unimpeded access to any site related to the project for inspection and/or monitoring purposes.
- The proponent must notify the Canadian Coast Guard Vessel Traffic Centre Noteship desk at [1-800-686-8676] at least 24 hours in advance of commencement and upon completion of the project.
- Vessels shall be allowed safe access through the work site at all times, and shall be assisted as necessary.
- You must supply this office with as-built plans within 6 months after completion.

SIGNED on February 18, 2020 in Bathurst
