Amendment 007

This amendment is raised to answer questions that were received from Industry.

1. QUESTIONS AND ANSWERS

QUESTION 1: Mandatory requirements M3 and M4 in Amendment 006 seem to to be contradictory in terms of the amount the manufacturer must have sold. Must the manufacturer have sold CAD 2,000,000 or CAD 1,000,000? Do we have to comply with both requirements, or will one of the two requirements be accepted? If so, which of the two is valid?

ANSWER 1: Mandatory Requirements M3 and M4 are separate requirements; bidders must comply with both.

M3 requires that "the entity or entities who will manufacture the barges must have delivered barges and/or vessels totaling an invoiced amount of at least \$2,000,000 CAD." That is, any barge and/or vessel will be accepted for M3.

M4 requires that the entity or entities who will manufacture the barges must have delivered at least 5 aluminum hulled barges and/or aluminum hulled commercial vessels, or a total invoiced amount of at least \$1,000,000 CAD of aluminum hulled barges and/or aluminum hulled commercial vessels.
