## **Part 2. Questions and Answers**

The following question(s) have been asked in response to the Request for Proposal and Elections Canada hereby answers as follows:

### **2.1 Question No. 2**

Question:

The RFP states the following: "Bevelled edge on both sides," does this mean that both sides with the "Elections Canada" logo will need to be bevelled, or both faces of the ruler will need each side bevelled?

Answer:

The Elections Canada logo must be printed on the top of each ruler. There is no printing on the underside. The bevels are along the 9" top and bottom of the printed side. The bottom of the ruler remains flat.

### **2.2 Question No. 3**

Question:

Does the product accept Chinese export?

Answer:

Yes, provided it follows Government guidelines related to COVID-19, and that the final product meets the specifications and that the mandatory delivery date is met.

### **2.3 Question No. 4**

Could you provide the historical bid price or the reference price?
