Amendment 3 is raised to publish questions and answers:

Q7. Would it be possible to provide a floorplan or AutoCAD file?

A7. Yes, see attachment at the last page of this amendment.

Q8. **Cat 6 Part 1, Item#1.** The table specifications are for a panel laminate base but there is a note for the base to be chrome. Can you please clarify?

A8. Item #1, Tag 6-03 does not require a chrome base.

Q9. **Cat 6 Part 2, Item #2.** The spec for the credenza states "keyless" lock. The term keyless refers to a digital lock. Do you require a digital lock or no lock at all? If you don't require a lock then this item would be considered Non SA. Please clarify.

A9. Item #2, Tag 6-23 (credenza) is acceptable with a digital lock. Credenza does not require a base but must have leveling capability.

Q10. **Cat 6, Part 3, Item #4.** As stated in the previous posted questions (amendment 1), you have changed this tablet chair to have a fixed base. The SA specs state that the chair should have at least 2 locking casters. If you require the chair to be fixed it will not comply with the SA specs and will be considered Non SA. Please confirm

A10. Item#4, Tag 6-20 to have fixed base and to be considered a NSA item
