- (c) the Bidder must provide the name of all individuals who will require access to classified or protected information, assets or sensitive work sites.

1.2 Bidders are reminded to obtain the required security clearance promptly. Any delay in the award of a contract to allow the successful bidder to obtain the required clearance will be at the entire discretion of the Contracting Authority.

1.3 For additional information on security requirements, Bidders should refer to the [Contract Security Program \(CSP\)](#) of Public Works and Government Services Canada website.

2. Statement of Work

The Work to be performed is detailed under **Annex A - Statement of Work** of the resulting contract clauses.

3. Revision of Departmental Name

As this bid solicitation is issued by Correctional Service Canada (CSC), any reference to Public Works and Government Services Canada (PWGSC) or its Minister contained in full text or by reference in any term, condition or clause of this document, or any resulting contract, must be interpreted as a reference to CSC or its Minister.

4. Debriefings

Bidders may request a debriefing on the results of the bid solicitation process. Bidders should make the request to the Contracting Authority within 15 working days of receipt of the results of the bid solicitation process. The debriefing may be in writing, by telephone or in person.

5. Procurement Ombudsman

The Office of the Procurement Ombudsman (OPO) was established by the Government of Canada to provide an independent venue for Canadian bidders to raise complaints regarding the award of federal contracts under \$25,300 for goods and under \$101,100 for services. Should you have any issues or concerns regarding the award of a federal contract below these dollar amounts, contact OPO by e-mail at the [Office of the Procurement Ombudsman email address](#), by telephone at 1-866-734-5169, or by web at the [Office of the Procurement Ombudsman website](#). For more information about OPO, including the available services, please visit the OPO website.

PART 2 - BIDDER INSTRUCTIONS

1. Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the bid solicitation by number, date and title are set out in the [Standard Acquisition Clauses and Conditions Manual](#) issued by Public Works and Government Services Canada.

Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The 2003 (2020-05-28) Standard Instructions - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the bid solicitation.

Subsection 5.4 of 2003, Standard Instructions - Goods or Services - Competitive Requirements, is amended as follows:

Delete: sixty (60) days

Insert: one hundred-twenty (120) days

2. Submission of Bids

Bids must be submitted only to Correctional Service of Canada (CSC) by the date, time and place indicated on page 1 of the bid solicitation.

3. Former Public Servants

Contracts awarded to former public servants (FPS) in receipt of a pension or of a lump sum payment must bear the closest public scrutiny, and reflect fairness in the spending of public funds. In order to comply with Treasury Board policies and directives on contracts awarded to FPSs, bidders must provide the information required below before contract award. If the answer to the questions and, as applicable the information required have not been received by the time the evaluation of bids is completed, Canada will inform the Bidder of a time frame within which to provide the information. Failure to comply with Canada's request and meet the requirement within the prescribed time frame will render the bid non-responsive.

4. Enquiries – Bid Solicitation

All enquiries must be submitted in writing to the Contracting Authority no later than five (5) business days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

5. Applicable Laws

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in British Columbia

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the bidders.

PART 3 - BID PREPARATION INSTRUCTIONS

1. Bid Preparation Instructions

CSC requests that bidders provide their bid in separately bound sections as follows:

Section I: Technical Bid: **three (3) hard copies**

Prices must appear in the financial bid only. No prices must be indicated in any other section of the bid.

Bidders are requested to submit their Financial Bid in an envelope separate from their technical proposal.

CSC requests that bidders follow the format instructions described below in the preparation of their bid:

- i. use 8.5 x 11 inch (216 × 279 mm) paper;
- ii. use a numbering system that corresponds to the bid solicitation.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process, the [Policy on Green Procurement](#). To assist Canada in reaching its objectives, bidders should:

- i. use 8.5 x 11 inch (216 × 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- ii. use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duo tangs or binders.

2. Section I: Technical Bid

In their technical bid, Bidders should explain and demonstrate how they propose to meet the requirements and how they will carry out the work.

3. Section II: Financial Bid

Bidders must submit their financial bid in accordance with the Basis of Payment detailed in Annex B - Proposed Basis of Payment. The total amount of Applicable Taxes must be shown separately.

If the information is not provided in the bid, the Contracting Authority will so inform the Bidder and provide the Bidder with a time frame within which to meet the requirement. Failure to comply with the request of the Contracting Authority and meet the requirement within that time period will render the bid non-responsive.

Bidders must provide the required certifications and additional information to be awarded a contract.

The certifications provided by Bidders to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare a bid non-responsive or will declare a contractor in default if any certification made by the Bidder is found to be untrue whether made knowingly or unknowingly, during the bid evaluation period or during the contract period.

ANNEX A – STATEMENT OF WORK

Correctional Services Canada has a need for the provision of Renal Dialysis Services in the Regional Medical Hospital, Regional Treatment center, Pacific Institution, so that this service can be delivered in-house.

1.1 Background

There has been a substantial cost monetarily for medical escorts to outside hospitals for provision of the Haemodialysis, and support for Peritoneal Dialysis patients. In order for the Correctional Service of Canada to get best value for money it is preferred that the services be provided on site.

1.2 Objectives

To provide Haemodialysis and Peritoneal Dialysis support within the CSC Pacific Regional Hospital dialysis unit in order to decrease the likelihood of outside appointments for this purpose. Currently the Regional Medical Hospital has one (1) Inmate that requires Dialysis Nursing Services up to thirty (30) hours per week. Level of Effort may change, in consultation with the Contractor, in the event that the requirement for Dialysis Nursing Services evolves.

- Work primarily independently, and follow standardized decision making guidelines or tools in order to provide patient care within their scope of practice as a specialty trained nurse
- Work closely with the contracted Nephrologist in order to coordinate the care for the patients who require services (ie. on the Dialysis treatment, or those being followed pre-treatment, or for ongoing monitoring and preventative treatment)
- Work within a structured Correctional setting (Prison Hospital) independently, and meet the established criteria for Security clearances, as well as follow Operational and Security procedures for personal safety (wear Personal Protective Alarm etc.)
- Update and maintain Site Specific Policy and Procedures Documents for Dialysis care in order to maintain practices to meet evolving and changing community standards
- Work closely with the Chief of Health Care and the Medical Hospital coordinator at the site to ensure needs of patients are met and that Accreditation Canada standards are maintained, and Patient Safety initiatives are supported
- Liaise with Provincial partners in order to coordinate transfers of care from the institution and to receive patients back into care in a safe manner
- Refers to established guidelines by law, Provincial regulation, and/or accepted practice standards within the province in relation to Dialysis provision in a Community setting.

1.4 Deliverables

- The contractor will provide written documentation as required for Dialysis patient care in English (for the following stages of patient care (as per the standardized nursing process): ongoing assessments and planning of care, provision of care, as well as discharge planning, and transfer of care purposes). The contractor must also provide recommendations to the Regional Medical Hospital Management Team in order to assist them to meet community standards in the field of Haemodialysis.

- Mandatory Technical Criteria

It is **imperative** that the proposal **address each of these criteria to demonstrate that the requirements are met.**

1.2 LISTING EXPERIENCE WITHOUT PROVIDING ANY SUBSTANTIATING DATA TO SUPPORT WHERE, WHEN AND HOW SUCH EXPERIENCE WAS OBTAINED WILL RESULT IN THE STATED EXPERIENCE NOT BEING CONSIDERED FOR EVALUATION PURPOSES.

1.3 All experience must be strictly work-related. Time spent during education and/or training will not be considered, unless otherwise indicated.

1.4 Experience must be demonstrated through a history of past projects, either completed or on-going.

1.5 References must be provided for each project/employment experience.

I. Where the stated experience was acquired within a Canadian Federal Government Department or Agency **as a Public Servant**, the reference must be a Public Servant who had a supervisory role over the proposed resource during the stated employment.

III. For any requirements that specify a particular time period (e.g., 2 years) of work experience, CSC will disregard any information about experience if the technical bid does not include the required month and year for the start date and end date of the experience claimed.

IV. CSC will also only evaluate the duration that the resource actually worked on a project or projects (from the start date to end date), instead of the overall start and end date of a project or a combination of projects in which a resource has participated.
