ADDENDUM NO. 1

Subject: **Request for Proposal (RFP) - FP802-200074**

Title: Placing, lifting / removal, maintaining and the servicing of Buoys in the Prince Edward Island region

Dear Sir/Madam:

Further to the above-mentioned Invitation to Tender, this Addendum no.1 is to advise potential bidders of the following Questions & Answers:

Question 1: The initial contract period year 1, the date of award such going to be on October 2, 2020. If yes is must I submit a Financial proposal for 9 months or 1 year as usual and you will make the adjustments?

Answer 1: The bid must be based in accordance with Annex B, Basis of payments Tables 1 to 4.

Question 2: I am interested in bidding for the maintenance of buoys in the P.E.I. Region
For this proposal, is there a requirement for
1. personal certification
2. Vessel certification

Answer 2: Transport Canada requires that all buoy contractors have personal and vessel certification. The certification can vary depending on the tasks the contractor is required to do and on the size of buoys and anchors that are to be serviced. To learn about which certifications are required please contact your local Transport Canada office.

Question 3: The tenderer is responsible for storage – how much are the buoys and other items worth?

Answer 3: The actual value of the buoys and other items related to a contract will vary depending on numerous factors. Number, size, type of buoy, chain size and amount, anchor size. It can amount to several thousands of dollars for even a small contract.

All other terms and conditions remain unchanged.

Yours truly,

Stéphane Julien
