This amendment is raised to address the following:

- Changes to the RFP
- Photos have been uploaded

CHANGES TO THE RFP:

REMOVE 2.2 Submission of Bids and **INSERT** the following:

2.2 Submission of Bids

Bids must be submitted only to RCMP Bid Receiving address OR fax number 778-290-6110 OR email patty.yi@rcmp-grc.gc.ca specified on page 1 of the RFP; If the proposal is emailed, the date and time provided by the RCMP email system on the receipt of the email will be used to determine when the proposal was submitted. Proponents are advised to consider any delays of their own email system when deciding to submit a proposal. RCMP recommends that Proponents send their proposal well in advance of the closing time and date indicated on Page 1 of the RFP.

NOTE: The RCMP has not been approved for bid submission by epost Connect service.

REMOVE 3.1 Bid Preparation Instruction and **INSERT** the following:

3.1 Bid Preparation Instructions

Canada requests that the Bidder submits its bid in separately bound sections as follows:

Section I: Technical Bid (one **hard copy OR one FAX OR one PDF**)

Section II: Financial Bid (one **hard copy OR one FAX OR one PDF**)

Section III: Certifications (one **hard copy OR one FAX OR one PDF**)

Prices must appear in the financial bid only. No prices must be indicated in any other section of the bid.

Canada requests that bidders follow the format instructions described below in the preparation of their hard copy bid:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper;
- (b) use a numbering system that corresponds to the bid solicitation.

In April 2006, Canada issued a policy directing federal departments and agencies to take the necessary steps to incorporate environmental considerations into the procurement process [Policy on Green Procurement](https://www.tbs-sct.gc.ca/pol/doc-eng.aspx?id=32573) (<https://www.tbs-sct.gc.ca/pol/doc-eng.aspx?id=32573>). To assist Canada in reaching its objectives, bidders should:

- 1) use 8.5 x 11 inch (216 mm x 279 mm) paper containing fibre certified as originating from a sustainably-managed forest and containing minimum 30% recycled content; and
- 2) use an environmentally-preferable format including black and white printing instead of colour printing, printing double sided/duplex, using staples or clips instead of cerlox, duotangs or binders.
