Amendment 001

Amendment 001 is raised to:

1) Incorporate Addendum #1. Please see Addendum #1 attached.

The addendum will form part of the Contract documents.

All other terms and conditions to remain unchanged.

ADDENDUM #1

Date: June 22, 2020

Contract No.: FW038-200001
Department: Fisheries and Oceans Canada – Real Property, Safety and Security
Technical Authority: Don Storry – Project Engineer
Real Property, Safety and Security

The following revisions supersede the information contained in the original drawings and specification issued for the above named project, and shall become part thereof. No consideration will be allowed for extras due to the contractor or any subcontractor not being familiar with this Addendum.

1.0 SPECIFICATIONS

2.0 QUESTIONS

Q.1	Are other similar pre-engineered bridge/ramp solutions suitable for the project? Such as pre-engineered truss panel bridge/ramp solutions?
A.1	This tender process is for specified design. We will not be accepting alternative designs.
Q.2	With reference to Section 2 on Drawing No. 010 Rev. 0, can we used 1 1/2" (38.1mm) Plate in lieu of 40mm Plate? 40mm does not reflect a readily available plate thickness.
A.2	Flange plate PL 38.1 x 400 mm is an acceptable alternative to the specified plate PL 40 x 400 mm provided the height of the girders remain the same as shown on the drawings.
Q.3	Regarding paint application section 09 97 19 page 2, for the Bima Grip the tender states installer to be Sutton Road Markings, Our question is, can we use our local paint contractor who is also an accredited Bima Grip installer?
A.3	An approved alternate supplier/installer is acceptable.
