- 1.2.2.** It is intended to result in the award of up to **six (6) Standing Offers (SOs), each of which has an three-year period starting January 1, 2021, plus two (2) irrevocable option one-year periods** allowing Canada to extend the term of each resulting SO.
- 1.2.3.** As per the Integrity Provisions under section 01 of Standard Instructions 2006 and 2007, Offerors must provide a list of all owners and/or Directors and other associated information as required. Refer to Section 4.21 of the Supply Manual for additional information on the Integrity Provisions.
- 1.2.4.** For services requirements, Offerors must provide the required information as detailed in article 2.3 of Part 2 of this solicitation, in order to comply with Treasury Board policies and directives on contracts awarded to former public servants.
- 1.2.5.** The requirement is subject to the provisions of the North American Free Trade Agreement (NAFTA), Canada-Chile Free Trade Agreement (CCFTA), Canada-Colombia Free Trade Agreement (CCOFTA), Canada-European Union Comprehensive Economic and Trade Agreement (CETA), Canada-Honduras Free Trade Agreement (CHFTA), Canada-Korea Free Trade Agreement (CKFTA), Canada-Panama Free Trade Agreement (CPAFTA), Canada-Peru Free Trade Agreement (CPFTA), Canada-Ukraine Free Trade Agreement (CUFTA), World Trade

- 1.2.6.** The resulting Standing Offers (SOs) are not to be used for deliveries within a Comprehensive Land Claims Settlement Area (CLCSA).

1.3 Security Requirements

There are security requirements associated with the requirement of this solicitation. For additional information, see Part 6 - Security, Financial and Insurance Requirements, and Part 7 - Standing Offer and Resulting Contract Clauses. For more information on personnel and organization security screening or security clauses, Offerors should refer to the [Contract Security Program](http://www.tpsgc-pwgsc.gc.ca/esc-src/introduction-eng.html) of Public Works and Government Services Canada (<http://www.tpsgc-pwgsc.gc.ca/esc-src/introduction-eng.html>) website.

1.4 Debriefings

Offerors may request a debriefing on the results of the request for standing offers process. Offerors should make the request to the Standing Offer Authority within 15 working days of receipt of the results of the request for standing offers process. The debriefing may be in writing, by telephone or in person.

PART 2 - OFFEROR INSTRUCTIONS

2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the Request for Standing Offers (RFSO) by number, date and title are set out in the [Standard Acquisition Clauses and Conditions Manual](https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual) (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Offerors who submit an offer agree to be bound by the instructions, clauses and conditions of the RFSO and accept the clauses and conditions of the Standing Offer and resulting contract(s).

The [2006](#) (2020-05-28) Standard Instructions - Request for Standing Offers - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the RFSO with the following adaptations:

- a) References to Public Works and Government Services Canada (PWGSC) are replaced by Indigenous Services Canada (ISC);
- b) "General Information", is amended as follows:

Delete: in its entirety

Insert:

One method of supply used by Indigenous Services Canada (ISC) is to arrange with suppliers to submit a standing offer to provide goods and services or both during a specified period. Sections within ISC can then make call-ups against the standing offer detailing the exact quantities of goods or level of services they wish to order at a particular time, during the effective period of the standing offer in accordance with the predetermined conditions.

The process normally starts with a Request for Standing Offers (RFSO) that suppliers may obtain through the Government Electronic Tendering Service (GETS). A RFSO is an invitation to suppliers to provide ISC with a standing offer. The quantity of goods, level of services and estimated expenditure specified in this solicitation are only an approximation of requirements given in good faith. A RFSO does not commit ISC to authorize the utilization of a standing offer or to procure or contract for any goods, services or both. A standing offer is not a contract. The issuance by ISC of a Standing Offer and Call-up Authority to successful suppliers and to sections within the department to make call-ups does not constitute an agreement by Canada to order any or all of the goods, services or both offered. ISC may make one or several call-ups against a standing offer.

- c) Section 03 is amended as follows:

Delete:

Pursuant to the *Department of Public Works and Government Services Act* (S.C. 1996, c.16")

- d) Section 05, Subsection 2 is amended as follows and renumbered accordingly:

Delete: d. in its entirety

Insert: d. send its offer only to the Bid Receiving Email Address specified on page 1 of this solicitation.

- e) Section 05, Subsection 4 is amended as follows and renumbered accordingly:

Delete: 60 days

Insert: 180 days

- f) Section 08, Transmission by facsimile or by epost Connect

Delete: in its entirety

Insert: Due to the nature of this solicitation, offers transmitted by facsimile to ISC will not be accepted.

g) Section 12, Subsection 1 is amended as follows and renumbered accordingly:

Delete: a) and b) in its entirety

h) Section 20 is amended as follows:

Delete: Subsection 2 in its entirety

2.2 Submission of Offers

2.2.1 Offers (and any amendments thereto) must be received by ISC **at the email address identified, by the date and time on the cover page of the solicitation**. Offers must not be sent directly to the Standing Offer Authority or Project Authority. Canada will not be responsible for offers delivered to a different address. Offers sent directly to the Standing Offer Authority or the Project Authority will not be considered.

2.2.2 The email address indicated on the cover page of the solicitation is for the purpose of offers submission and enquiries concerning that solicitation. **No other communications are to be forwarded to this address.**

More than one email can be sent if necessary (if the same file is sent twice, the latest file received will be used for evaluation purposes and the previous one(s) will not be opened).

Canada will take no responsibility if an offer is not received on time because the email was refused by a server for the following reasons:

- The size of attachments exceeds **10 MB**;
- The email was rejected or put in quarantine because it contains executable code (including macros);
- The email was rejected or put in quarantine because it contains files that are not accepted by our server, such as, but not limited to, .rar, encrypted .zip, encrypted .pdf, .exe., etc.

Links to an online storage service (such as Google Drive™, Dropbox™, etc.) or to another website, a File Transfer Protocol (FTP) service access, or any other mean of transferring files, will not be accepted. All documents submitted must be attached to the email.

It is strongly recommended that Offerors confirm with the Standing Offer Authority that their complete offer is received. For this same reason, it is recommended that in cases where more than one (1) email containing documents comprising the quote is submitted, the emails be numbered and the total number of emails sent in response to the solicitation also be identified.

2.2.3 Canada requires that each offer, at closing date and time or upon request from the Standing Offer Authority, be signed by the Offeror or by an authorized representative of the Offeror. If any required signature(s) are not submitted as requested, the Standing Offer Authority may inform the Offeror of a time frame within which to provide the signature(s). Failure to comply with the request of the Standing Offer Authority and to provide the signature(s) within the time frame provided may render the offer non-responsive. If an offer is submitted by a joint venture, it must be in accordance with section 17 Joint Venture, of [2003](#) (2019-03-04) Standard Instructions - Goods or Services - Competitive Requirements.

2.2.4 It is the Offeror's responsibility to:

- a. obtain clarification of the requirements contained in the offer solicitation, if necessary, before submitting an offer;
- b. prepare its offer in accordance with the instructions contained in the RFSO;
- c. submit by closing date and time a complete offer;
- d. send its offer only to the address specified on the cover page of the RFSO;

- e. ensure that the Offeror's name, return address, and the RFSO reference number are clearly visible on the envelope or the attachment(s) containing the offer; and,
- f. provide a comprehensible and sufficiently detailed offer, including all requested pricing details, that will permit a complete evaluation in accordance with the criteria set out in the RFSO.

2.2.5 Offers received on or before the stipulated offer closing date and time will become the property of Canada and will not be returned, including those of unsuccessful Offerors. All offers will be treated as confidential, subject to the provisions of the Access to Information Act (R.S. 1985, c. A-1) and the Privacy Act (R.S., 1985, c. P-21), and other applicable law.

2.2.6 Unless specified otherwise in the RFSO, Canada will evaluate only the documentation provided with an Offeror's offer. Canada will not evaluate information such as references to Web site addresses where additional information can be found, or technical manuals or brochures not submitted with the offer.

2.2.7 An offer cannot be assigned or transferred in whole or in part.

2.3 Former Public Servant

Contracts awarded to former public servants (FPS) in receipt of a pension or of a lump sum payment must bear the closest public scrutiny, and reflect fairness in the spending of public funds. In order to comply with Treasury Board policies and directives on contracts awarded to FPSs, Offerors must provide the information required below before contract award. If the answer to the questions and, as applicable the information required have not been received by the time the evaluation of offers is completed, Canada will inform the Offeror of a time frame within which to provide the information. Failure to comply with Canada's request and meet the requirement within the prescribed time frame will render the offer non-responsive.

a. Definitions

For the purposes of this clause, "*former public servant*" is any former member of a department as defined in the [Financial Administration Act](#), R.S., 1985, c. F-11, a former member of the Canadian Armed Forces or a former member of the Royal Canadian Mounted Police. A former public servant may be:

- (i) an individual;
- (ii) an individual who has incorporated;

- (iv) a sole proprietorship or entity where the affected individual has a controlling or major interest in the entity.

"lump sum payment period" means the period measured in weeks of salary, for which payment has been made to facilitate the transition to retirement or to other employment as a result of the implementation of various programs to reduce the size of the Public Service. The lump sum payment period does not include the period of severance pay, which is measured in a like manner.

"pension" means a pension or annual allowance paid under the [Public Service Superannuation Act \(PSSA\)](#), R.S., 1985, c.P-36, and any increases paid pursuant to the [Supplementary Retirement Benefits Act](#), R.S., 1985, c.S-24 as it affects the PSSA. It does not include pensions payable pursuant to the [Canadian Forces Superannuation Act](#), R.S., 1985, c.C-17, the [Defence Services Pension Continuation Act](#), 1970, c.D-3, the [Royal Canadian Mounted Police Pension Continuation Act](#), 1970, c.R-10, and the [Royal Canadian Mounted Police Superannuation Act](#), R.S., 1985, c.R-11, the [Members of Parliament Retiring Allowances Act](#), R.S., 1985, c.M-5, and that portion of pension payable to the [Canada Pension Plan Act](#), R.S., 1985, c.C-8.

b. Former Public Servant in Receipt of a Pension

As per the above definitions, is the Offeror a FPS in receipt of a pension? **Yes () No ()**

If so, the Offeror must provide the following information, for all FPS in receipt of a pension, as applicable:

- (i) name of former public servant;
- (ii) date of termination of employment or retirement from the Public Service.

By providing this information, Offerors agree that the successful Offeror's status, with respect to being a former public servant in receipt of a pension, will be reported on departmental websites as part of the published proactive disclosure reports in accordance with [Contracting Policy Notice: 2012-2](#) and the [Guidelines on the Proactive Disclosure of Contracts](#).

c. Work Force Adjustment Directive

Is the Offeror a FPS who received a lump sum payment pursuant to the terms of the Work Force Adjustment Directive? **Yes () No ()**

If so, the Offeror must provide the following information:

- (i) name of former public servant;
- (ii) conditions of the lump sum payment incentive;
- (iii) date of termination of employment;
- (iv) amount of lump sum payment;
- (v) rate of pay on which lump sum payment is based;
- (vi) period of lump sum payment including start date, end date and number of weeks;
- (vii) number and amount (professional fees) of other contracts subject to the restrictions of a work force adjustment program.

For all contracts awarded during the lump sum payment period, the total amount of fees that may be paid to a FPS who received a lump sum payment is \$5,000, including Applicable Taxes.

2.4 Enquiries - Request for Standing Offers

All enquiries must be submitted in writing to the Standing Offer Authority no later than fifteen (15) calendar days before the Request for Standing Offers (RFSO) closing date. Enquiries received after that time may not be answered.

Offerors should reference as accurately as possible the numbered item of the RFSO to which the enquiry relates. Care should be taken by Offerors to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that Offerors do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Offerors. Enquiries not submitted in a form that can be distributed to all Offerors may not be answered by Canada.

2.5 Applicable Laws

The Standing Offer and any contract resulting from the Standing Offer must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario.

Offerors may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their offer, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Offerors.

PART 3 - OFFER PREPARATION INSTRUCTIONS

3.1 Offer Preparation Instructions

Canada requests that the Offeror submits its offer in accordance with section 05 of the 2006 standard instructions. An Offer must be gathered per section and separated as follows:

Section I: Technical Offer	(1 electronic copy, PDF format)
Section II: Financial Offer	(1 electronic copy, PDF format)
Section III: Certifications	(1 electronic copy, PDF format)
Section IV: Additional Information	(1 electronic copy, PDF format)

Prices must appear in the Financial Offer only. Prices must not be indicated in any other section of the Offer. The Offeror's failure to comply with this condition will result in the Offer being declared non-compliant and being given no further consideration.

Offerors must include any reference material they wish to be considered for evaluation within their Offer. Any material or documents outside the Offer will not be considered (for example, should the Offeror wish to provide screen shots of its website, etc. for evaluation, copies or printouts of website material must be included within the Offer). URL links to the Offeror's website will not be considered as a qualified proof.

Canada requests that Offerors follow the format instructions described below in the preparation of their offer:

- (a) use 8.5 x 11 inch (216 mm x 279 mm) paper size;
- (b) use a numbering system that corresponds to this solicitation.

Submission of Only One Offer: An Offeror, including related entities, will be permitted to submit only one offer. If an Offeror or any related entities participate in more than one offer (participating means being part of the Offeror, not being a subOfferor), Canada will provide those Offerors with two (2) working days to identify the single offer to be considered by Canada. Failure to meet this deadline will result in all the affected offers being disqualified.

Offerors are strongly encouraged to use the Offer Submission Forms provided in Attachment 1 to Part 3 to support the consistent organization of Offers.

For the purposes of this Article, regardless of the jurisdiction where any of the entities concerned is incorporated or otherwise formed as a matter of law (whether that entity is a natural person, corporation, partnership, etc.), an entity will be considered to be "related" to an Offeror if:

- a) they are the same legal entity (i.e., the same natural person, corporation, partnership, limited liability partnership, etc.);
- b) they are "related persons" or "affiliated persons" according to the *Canada Income Tax Act*;
- c) the entities have now or in the two years before offer closing had a fiduciary relationship with one another (either as a result of an agency arrangement or any other form of fiduciary relationship); or
- d) the entities otherwise do not deal with one another at arm's length, or each of them does not deal at arm's length with the same third party.
- e) Individual members of a joint venture cannot participate in another offer, either by submitting an offer alone or by participating in another joint venture.

Section I: Technical Offer

In their Technical Offer(s), Offerors should explain and demonstrate how they offer to meet the requirements and how they will carry out the Work. Offerors should demonstrate their capability and describe their approach in a thorough, concise and clear manner for carrying out the work.

The technical Offer should address clearly and in sufficient depth the points that are subject to the evaluation criteria against which the offer will be evaluated. Simply repeating the statement contained in this solicitation is not sufficient. In order to facilitate the evaluation of the offer, Canada requests that Offerors address and present topics in the order of the evaluation criteria under the same headings. To

avoid duplication, Offerors may refer to different sections of their offers by identifying the specific paragraph and page number where the subject topic has already been addressed.

Part 4, Evaluation Procedures and Basis of Selection, contains additional instructions that Offerors should consider when preparing their technical offers.

Section II: Financial Offer

Offerors must submit their Financial Offers in accordance with Financial Tables detailed in article 4.6.3.

The Financial Offer must include all costs for the requirement described in this solicitation for the entire Offer Period, including any option periods. The fixed all-inclusive hourly rate must be inclusive of all payroll, overhead costs, administration (e.g. internal business services, invoicing, timesheets, travel coordination, reporting, and other ancillary services to administer the SO and any Call-ups, etc.) disbursements, profits, and any other costs required for the Offeror to complete the work under any resultant Call-up of any awarded Standing Offer Agreement. **Note: the fixed all-inclusive hourly rates are not to be quoted as a range.**

Rates proposed for the option years must be equal or greater than rate proposed in the initial contract period.

When preparing their Financial Offer, Offerors should review clauses in the article 4.6 - Financial Evaluation, of Part 4 of the RFSO; and article 7.5 - Payment, Part 7B of this solicitation.

3.1.1 Electronic Payment of Invoices - Offer

Direct Deposit (Domestic and International) is encouraged to be accepted for payment of invoices, however, acceptance of Electronic Payment Instruments will not be considered as an evaluation criterion.

3.1.2 Exchange Rate Fluctuation

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1 Definitions

The following definitions apply to all Mandatory Requirements and Point-Rated Criteria. All other defined terms are as set out in the Annex "A" – Statement of Work.

- **"Offeror"** refers to the legal entity having submitted an Offer for evaluation, and which, if successful in the evaluation process, must execute the resulting Standing Offer (SO).
- **"MUST"**, whether capitalized or not, refers to a requirement. In response to a Mandatory Requirement, failure on the part of the Offer to provide the information or demonstrate it meets a requirement expressed by "MUST", will result in the Offer being deemed non-compliant and no further consideration given. In response to a Rated Criterion, failure on the part of the Offer to provide the information or demonstrate it meets a requirement expressed by "MUST", will result in the Offer not being assessed any points.
- **"Resource"** refers to the named individual(s) offered by an Offeror (whether employed, self-employed, or subcontracted by the Offeror) to deliver services under any resulting Standing Offer.
- **"Should"** refers to a desired element. Failure on the part of the Offer to provide the information requested by "should" within its Offer or to demonstrate that it meets the element expressed by "should" may result in the Offer receiving less than full points on any Point-Rated Criteria. Offerors are encouraged to address all elements expressed by "should".
- **"Substantiated"** is that which is independently verifiable, with clear demonstration of the outcomes of a given task, skill, ability, or other evaluation factor being demonstrated, and includes evidence of understanding any related underlying methodology and/or techniques as appropriate and provides sufficient details with regard to the above. Simply stating that a resource or the Offeror has completed a task will not be considered "substantiated." Similarly, a reiteration of the text of the Point-Rated Criteria, on its own, will not be eligible to receive points.

4.2 Evaluation Procedures

- a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers (RFSO) including the technical and financial evaluation criteria.
- b) An evaluation team composed of representatives of ISC will evaluate the offers.
- c) In addition to any other time periods established in this solicitation:
 - i. **Requests for Clarifications:** If Canada seeks clarification or verification from the Offeror about its Offer, the Offeror will have two (2) working days (or a longer period if specified in writing by the Standing Offer Authority) to provide the necessary information to Canada. Failure to meet this deadline will result in the Offer being declared non-responsive.
 - ii. **Requests for Further Information:** If Canada requires additional information in order to do any of the following pursuant to the Section entitled "Conduct of Evaluation" in 2003, Standard Instructions - Goods or Services - Competitive Requirements:
 - A. verify any or all information provided by the Offeror in its Offer; or
 - B. contact any or all references supplied by the Offeror (e.g., references named in the résumés of individual resources) to verify and validate any information submitted by the Offeror,The Offeror must provide the information requested by Canada within five (5) working days of a request by the Standing Offer Authority.
 - iii. **Extension of Time:** If additional time is required by the Offeror, the Standing Offer Authority may grant an extension in his sole discretion.

4.3 Basis of Evaluation

- a) Both individuals and firms are permitted to submit their Offer. If more than three (3) resources are proposed by a firm, only three (3) of them will be randomly selected for evaluation purpose.
- b) The Offeror must include, in its proposal, any reference material it wishes to be considered for evaluation. Any material or documents outside the Offer will not be considered (for example, should the Offeror wish to provide screen shots of its website or product, etc. for evaluation, copies or printouts of website or product material must be included within the Offer). URL links to the Offeror's website will not be considered by the Evaluation Committee.
- c) Evaluation is based on a "rules of evidence" approach, such that the Offer is the sole demonstration of the Offeror's capacity to fulfill the requirement, as described within this solicitation. No prior knowledge of or experience with the Offeror on the part of the ISC evaluation team will be taken into consideration.
- d) The experience of the resource with any organization (whether the Offeror, another company or employer) will be considered, provided it demonstrates the experience of the resource. Resource experience gained during formal education will not be considered work experience. All requirements for work experience must have been obtained in a professional work environment as opposed to an educational setting.
- e) Offerors are required to demonstrate how the experience of the Offeror and offered resources meets the requirements stated in the mandatory requirements and point-rated Criteria. Timeframes of the Offeror's or resources' experience should be identified by start date (Month and Year) and end date (Month and Year). A simple repetition of the requirements or of the Statement of Work contained in this solicitation will not be considered to demonstrate the experience of the Offeror or offered resources. Similarly, listing experience without providing any supporting information describing where, when and how such experience was obtained may result in the experience not being included for evaluation purposes.

4.4 Reference Checks

- a) Canada reserves the right to conduct reference checks to verify the information contained within the submitted Offer. If Canada does not receive a response from the contact person within the **five (5)** working days, Canada may contact the Offeror and permit the substitution of an alternate contact person, however, Canada will not permit the substitution for the 3rd time.
- b) Wherever information provided by a reference differs from the information supplied by the Offeror, the information supplied by the reference will be the information evaluated. In the event that any cited reference provides a negative response in regard to the veracity and/or accuracy of the information contained within the Offer, Canada reserves the right to deem the requirement non-compliant, whereupon no further consideration will be given.
- c) Points will not be allocated and/or an Offeror will not meet the mandatory experience requirement (as applicable) if (1) the reference customer states he or she is unable or unwilling to provide the information requested, or (2) the customer reference is not a customer of the Offeror itself (for example, the customer cannot be the customer of an affiliate of the Offeror instead of being a customer of the Offeror itself). 4.7 Basis of Selection

4.7.1 Highest Combined Rating of Technical Merit 70% and Price 30%

Standing Offers (SOs) will be awarded based on a determination of Best Value considering both the technical merit of the Offers and the Financial Evaluation. To arrive at an overall score achieved by an Offeror, a weighting has been established as follows:

Technical merit will be valued at 70% of the Offer and price will be valued at 30% of the Offer. The Offeror(s) will be selected on the basis of the highest responsive combined rating of technical merit and price. The calculation used to determine the Offeror's Total Score will be:

Offeror's Total Score (out of 100 points) = Offeror's Weighted Technical Score (out of 70 points) + Offeror's Financial Score (out of 30 points)

Offerors will be ranked in order from highest to lowest Total Score. Where two or more Offers achieve the identical Total Score, the Offer with the highest Weighted Technical Score will precede.

4.7.2 Standing Offer Value Allocation

Canada intends to award up to six (6) Standing Offers as a result of Offers representing Best Value, based on the following value allocation rules in order from highest ranked Offer to the lowest one. Best Value will be defined as the highest Total Score, i.e. the highest ranked responsive Offer would be considered to represent Best Value.

Top six (6) Ranked Offerors **\$2,000,000.00 per Standing Offer, applicable taxes and all expenses included**

Where there are less than six (6) responsive Offers, the Standing Offer(s) will be awarded to actual number of responsive Offerors accordingly.

The Standing Offer Authority will have the right to ask for additional information to verify the Offeror's certifications. ANNEX "A" - STATEMENT OF WORK**S.W.1 TITLE**

Indian Act Election Appeal Field Investigation Services

S.W.2 BACKGROUND

Governance Operations Directorate, within Lands and Economic Development Sector, Indigenous Services Canada (ISC-LED), is responsible for the application of sections 74 to 79 of the Indian Act.

In light of this mandate, ISC-LED has a legal obligation to receive and process all appeals regarding elections held under the election provisions in the Indian Act.

Each year, an average of 80 First Nations (Indian bands) hold elections according to the procedures proscribed in the Indian Act. Of these an average of one third (approximately 25) are appealed as allowed under the Act and the accompanying regulations.

In a majority of cases, these appeals can be determined based on materials obtained through the initial information-gathering steps under the current legislative regime. However, where the information gathered is insufficient to draw conclusions, the Minister may, under section 13(1) of the Indian Band Election Regulations, engage a private investigator to obtain the necessary information to make an informed decision on allegations brought up in the appeal.

While estimates of cases requiring private investigator work will depend on the number of valid appeals received on an annual basis, a current estimate indicates that the ISC-LED, on behalf of the Minister may require between 3 and 5 private investigators nationally per year.

Although it is not possible to directly correlate the number of valid appeals to the different regions across Canada, below is the number of Indian bands per region, that hold their elections under the Indian Act. All these Indian bands will go to the polls at least once every two years. Every election has a potential for an appeal and each appeal can, in turn, necessitate a field investigation process.

Region	Number of Indian Bands
British Columbia	53
Alberta and North (NWT, Yukon & Nunavut)	3
Saskatchewan	11
Manitoba	24
Ontario and Quebec	58
Atlantic (PEI, NS, NB and NFLD)	9
	Total 158

- 4.5 Inform ISC-LED by email (or by any acceptable means) within a reasonable timeframe of the selected investigation approach;
