Title: Placing, lifting / removal, maintaining and the servicing of Buoys in the Nova Scotia region

Dear Sir/Madam:

Further to the above-mentioned Invitation to Tender, this Addendum no.7 is to advise potential bidders of the following Questions & Answers:

**Question 12:** Is any person authorized to sign on behalf of the vendor?  
What is the security requirement?

**Answer 12:** To answer your first question, the bidder is to determine who has the authority to sign on behalf of the vendor.

**In regards to the Security, please refer to PART 1 - GENERAL INFORMATION**

**1.1 Security Requirements**

**There are no security clearances requirements , but there are security requirements indicated in Section 6.1 for this requirement.**

**Question 13:** There appears to be two Little Harbour on the tender?

**Answer 13:** You are correct in your observation. There are unfortunately numerous areas that share the same name and in this tendering package there are two areas named Little Harbour. Little Harbour with buoys YS9 and YS10 is in the area of Jeddore, Nova Scotia. Little Harbour with a single buoy NM3 is in the area of Isle Madame, Cape Breton.

All other terms and conditions remain unchanged.

Yours truly,
