**TENDER**

**BURLINGTON CANAL LIFT BRIDGE (BCLB)  
ROOF ANCHOR INSTALLATION AND VHF ANTENNA REPLACEMENT**

**Project No. R.089504.080**

**Amendment No. 3  
July 8, 2020**

### **Amendment 3 – R.089504.080**

This Amendment forms part of the tender documents issued on June 5, 2020. Amendments to the tender documents are below.

#### **Response to Bidder's Questions:**

Q13: As the contractor, are we permitted to use 80 Ton Tadano TT800XXL Crane to lift the steel to the roof of the towers?

A13: The use of a specific crane will be evaluated and reviewed post contract award as it is a function of where the crane will be located and the operational requirements.

All other terms and conditions of the Contract remain the same.
