PART 1 - GENERAL INFORMATION

*****Given that many people are currently working from home and in an effort to reduce the spread of the coronavirus disease (COVID-19) within communities, bidders must transmit their bid electronically using the epost Connect service or fax (819-997-9776). Paper bids will not be accepted.**

1.1 Security Requirements

There is no security requirement associated with this bid solicitation.

1.2 Requirement

Public Health Agency of Canada (PHAC) – Emergency Services Depot has a requirement for supply and delivery of various vaccination consumables for COVID-19 to Ottawa, ON, as detailed in Annex A, as part of Canada's response to the COVID-19 pandemic.

1.3 Debriefings

Debriefing on the results of the bid solicitation process will not be provided.

1.4 National Security Exception

The national security exceptions provided for in the trade agreements have been invoked; therefore, this procurement is excluded from all of the obligations of all the trade agreements.

1.5 Canadian Content

The requirement is subject to a preference for Canadian goods and/or services.

1.6 Epost Connect service

This bid solicitation allows bidders to use the epost Connect service provided by Canada Post Corporation to transmit their bid electronically. Bidders must refer to Part 2 entitled Bidder Instructions, and Part 3 entitled Bid Preparation Instructions, of the bid solicitation, for further information.

PART 2 - BIDDER INSTRUCTIONS

2.1 Standard Instructions, Clauses and Conditions

All instructions, clauses and conditions identified in the bid solicitation by number, date and title are set out in the *Standard Acquisition Clauses and Conditions Manual* (<https://buyandsell.gc.ca/policy-and-guidelines/standard-acquisition-clauses-and-conditions-manual>) issued by Public Works and Government Services Canada.

Bidders who submit a bid agree to be bound by the instructions, clauses and conditions of the bid solicitation and accept the clauses and conditions of the resulting contract.

The 2003 (2020-05-28) Standard Instructions - Goods or Services - Competitive Requirements, are incorporated by reference into and form part of the bid solicitation.

Subsection 5.4 of 2003, Standard Instructions - Goods or Services - Competitive Requirements, is amended as follows:

Delete: 60 days
Insert: 120 days

2.1.1 **SACC Manual Clauses**

SACC Manual clause **B1000T** (2014-06-26) Condition of Material

2.2 **Submission of Bids –**

Bids must be submitted only to Public Works and Government Services Canada (PWGSC) Bid Receiving Unit at the location specified below, by the date, time and indicated on page 1 of the bid solicitation using the epost Connect service or fax (819) 997-9776.

Note: For bidders submitting using epost Connect for bids closing at the Bid Receiving Unit in the National Capital Region (NCR) the email address is:

tpsgc.dgareceptiondessomissions-abbidreceiving.pwgsc@tpsgc-pwgsc.gc.ca

Note: Bids will not be accepted if emailed directly to this email address. This email address is to be used to open an epost Connect conversation, as detailed in Standard Instructions **2003**, or to send bids through an epost Connect message if the bidder is using its own licensing agreement for epost Connect.

The above address is for the sole purpose of bid submission. No other communications are to be forwarded to this address.

No proposal shall be sent directly to the PWGSC Contracting Authority.

2.3 **Improvement of Requirement During Solicitation Period**

Should bidders consider that the specifications or Statement of Work contained in the bid solicitation could be improved technically or technologically, bidders are invited to make suggestions, in writing, to the Contracting Authority named in the bid solicitation. Bidders must clearly outline the suggested improvement as well as the reason for the suggestion. Suggestions that do not restrict the level of competition nor favour a particular bidder will be given consideration provided they are submitted to the Contracting Authority at least five (5) calendar days before the bid closing date. Canada will have the right to accept or reject any or all suggestions.

2.4 **Enquiries - Bid Solicitation**

All enquiries must be submitted in writing to the Contracting Authority no later than three (3) calendar days before the bid closing date. Enquiries received after that time may not be answered.

Bidders should reference as accurately as possible the numbered item of the bid solicitation to which the enquiry relates. Care should be taken by Bidders to explain each question in sufficient detail in order to enable Canada to provide an accurate answer. Technical enquiries that are of a proprietary nature must be clearly marked "proprietary" at each relevant item. Items identified as "proprietary" will be treated as such except where Canada determines that the enquiry is not of a proprietary nature. Canada may edit the question(s) or may request that the Bidder do so, so that the proprietary nature of the question(s) is eliminated, and the enquiry can be answered to all Bidders. Enquiries not submitted in a form that can be distributed to all Bidders may not be answered by Canada.

2.5 Applicable Laws

Any resulting contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario, Canada.

Bidders may, at their discretion, substitute the applicable laws of a Canadian province or territory of their choice without affecting the validity of their bid, by deleting the name of the Canadian province or territory specified and inserting the name of the Canadian province or territory of their choice. If no change is made, it acknowledges that the applicable laws specified are acceptable to the Bidders.

PART 3 - BID PREPARATION INSTRUCTIONS

3.1 Bid Preparation Instructions

Given that many people are currently working from home and in an effort to reduce the spread of the coronavirus disease (COVID-19) within communities, bidders are must transmit their bid electronically using the epost Connect service or fax (819-997-9776). Paper bid will not be accepted.

3.1.1 Canada requests that the Offeror submits its offer in accordance with section 08 of the 2006 standard instructions. The epost Connect system has a limit of 1GB per single message posted and a limit of 20GB per conversation. The offer must be gathered per section and separated as follows:

Section I: Technical Offer
Section II: Financial Offer
Section III: Certifications

Prices must appear in the financial offer only. No prices must be indicated in any other section of the offer.

Section I: Technical Bid

In their technical bid, Bidders should demonstrate their understanding of the requirements contained in the bid solicitation and explain how they will meet these requirements. Bidders should demonstrate their capability and describe their approach in a thorough, concise and clear manner for carrying out the work.

The technical bid should address clearly and in sufficient depth the points that are subject to the evaluation criteria against which the bid will be evaluated. Simply repeating the statement contained in the bid solicitation is not sufficient. In order to facilitate the evaluation of the bid, Canada requests that Bidders address and present topics in the order of the evaluation criteria under the same headings. To avoid duplication, Bidders may refer to different sections of their bids by identifying the specific paragraph and page number where the subject topic has already been addressed.

Section II: Financial Bid

- (a) **Pricing and Delivery:** Bidders must submit their financial bid in accordance with the Basis of Payment including Annex "B" – Basis of Payment.
- (b) **All Costs to be Included:** The financial bid must include all costs for the requirement described in the bid solicitation for the entire Contract Period, including additional quantities. The identification of all necessary equipment, software, peripherals, cabling and components required to meet the requirements of the bid solicitation and the associated costs of these items is the sole responsibility of the Bidder.

- (c) **Items not included in the bid:** Bidders are requested to state "Not included" in the pricing columns for any item that it does not intend to include in its bid.
- (d) **Blank Prices:** Bidders are requested to insert "\$0.00" for any item that is included in its bid and for which it does not intend to charge. If the Bidder leaves any price blank, Canada will treat the price as "\$0.00" for evaluation purposes and may request that the Bidder confirm that the price is, in fact, \$0.00. No bidder will be permitted to add or change a price as part of this confirmation. Any bidder who does not confirm that the price for a blank item is \$0.00 will be declared non-responsive.

3.1.2 Electronic Payment of Invoices – Bid

If you are willing to accept payment of invoices by Electronic Payment Instruments, complete Annex D Electronic Payment Instruments, to identify which ones are accepted. If Annex D Electronic Payment Instruments is not completed, it will be considered as if Electronic Payment Instruments are not being accepted for payment of invoices.

Acceptance of Electronic Payment Instruments will not be considered as an evaluation criterion.

Section III: Certifications

Bidders must submit the certifications and additional information required under Part 5.

3.1.3 Origin of work

Bidders must provide the name, address and country of manufacturers of the Item, including subcontractors, to be utilized in the performance of the contract.

The following manufacturer(s)/subcontractor(s) will be utilized in the performance of the contract:

- a. Name and complete address of manufacturer/subcontractor: _____
- b. Location where work will be _____ (please indicate the complete address if different from the address provided in a.)
- c. Nature of manufacturing/subcontracting work performed: _____
(Enter the information for each manufacturer/subcontractor)

Manufacturers/Subcontractors, other than those listed above, may not be utilized without the written permission of Canada.

The Bidder agrees that Canada may publicly disclose the information provided with respect to the countries of origin.

Bidders must immediately inform Canada in writing of any and all changes affecting the information provided under this clause during the entire bid validity period.

PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION

4.1 Evaluation Procedures

- (a) Bids will be assessed in accordance with the entire requirement of the bid solicitation including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the bids.
- (c) The evaluation team will determine first if there are two or more bids with a valid Canadian Content certification. In that event, the evaluation process will be limited to the bids with the

certification; otherwise, all bids will be evaluated. If some of the bids with a valid certification are declared non-responsive, or are withdrawn, and less than two responsive bids with a valid certification remain, the evaluation will continue among those bids with a valid certification. If all bids with a valid certification are subsequently declared non-responsive, or are withdrawn, then all the other bids received will be evaluated.

Samples may be requested to verify the compliancy of proposed products.

If samples and/or a rationale is requested, the bidder will be contacted by the Contracting Authority along with further instructions.

4.1.1 Technical Evaluation

Mandatory Technical Evaluation Criteria

The mandatory technical evaluation criteria are:

TABLE 1: Bidder Mandatory Capabilities Criteria

M1 - Mandatory Capabilities Criteria			
DIVERSITY PLAN			
<p>PSPC promotes social procurement which creates greater inclusiveness and opportunities for participation by underrepresented groups in federal government procurement. Groups currently included in the pilot program are women, persons with disabilities, visible minorities, and Indigenous peoples. To meet PSPC's objectives of encouraging diversity, this procurement contains a Diversity Plan that aims at promoting diversity in Canada. As a result, bidders must submit a Diversity Plan as part of their proposal.</p>			
Mandatory Criteria	Reference Page #	Met / Not Met	Comment
<p>(a) Human Resources Plan Benefiting Diversity</p> <p>The Diversity Plan is to include a Human Resource Plan that details the existing approach/Policy within the organization promoting a diverse workforce and/or how the Bidder intends to maximize the use of a diverse workforce in the management of this contract.</p>			
<p>(b) Business Plan Benefiting Diversity (including subcontractors/suppliers)</p> <p>The Diversity Plan is to include a Business Plan that details the existing approach/Policy within the organization promoting partnering with diverse firms and/or how the Bidder intends to maximize the partnership with diverse firms in the management of this contract.</p>			

<p>(c) Other Measures Benefiting Diversity</p> <p>The Diversity Plan is to include other relevant measures that the Bidder intends to elaborate/implement to promote diversity in the management of this contract</p>			
M2 - Mandatory Technical Criteria			
<p>(d) List of Products:</p> <p>Bidders must include a complete product list identifying: the product name; a detailed description of the product, the part number, the name of manufacturer; the location of the manufacturer, etc. Bidders are requested to use the form provided in Annex C.</p>			
<p>(e) Supporting Technical documentation:</p> <p>Bidders must include Technical brochures or technical data to demonstrate compliancy to the requirement as described in Annex A - Requirement.</p>			
<p>(f) Medical Devices Establishment License (MDEL):</p> <p>Bidders must provide a copy of their MDEL and evidence that application for review of their MDEL was submitted to Health Canada before bid closing date, if applicable.</p>			
<p>(g) Delivery Schedule and Supply Capacity:</p> <p>Bidders must provide a detailed delivery timeframe for the quantity of items proposed. Bidders could also provide information on their supply capacity for additional quantities. Bidders are requested to use the form provided in Annex B – Table 2. The bidder must demonstrate how problems will be addressed if the delivery timeline is not met.</p>			

4.1.2 Financial Evaluation

4.1.2.1 Mandatory Financial Criteria

- a. The Bidder must submit firm unit prices in Canadian dollars, applicable taxes are excluded, DDP (Ottawa, ON) Incoterms 2000, transportation costs included, all applicable Customs Duties and Excise taxes included.
- b. The Bidder must submit firm unit pricing for all items and all destinations including option quantity at no more than two decimal points.

4.2 Basis of Selection -

A bid must comply with all requirements of the bid solicitation and meet all mandatory technical and financial evaluation criteria to be declared responsive.

Canada reserves the right to award one or multiple contracts (max. 5 contracts) for any responsive bid in order to fulfil its overall requirement. Canada reserves the right to consider numerous factors in awarding one or multiple contracts, including but not limited to:

- (a) the bidder's experience and capacity outlined in response to M1 and M2;
- (b) the bidder's proposed delivery time frame for firm and optional quantities;
- (c) bidder's proposed price;
- (d) socio-economic considerations, such as businesses owned by aboriginals or minorities.

The fact that a bid has been declared responsive does not mean that the bidder will be guaranteed contract.

This basis of selection does not limit Canada's rights outlined in the 2003 (2019-03-04) Standard Instructions - Goods or Services - Competitive Requirements.

PART 5 – CERTIFICATIONS AND ADDITIONAL INFORMATION

Bidders must provide the required certifications and additional information to be awarded a contract.

The certifications provided by Bidders to Canada are subject to verification by Canada at all times. Unless specified otherwise, Canada will declare a bid non-responsive, or will declare a contractor in default if any certification made by the Bidder is found to be untrue whether made knowingly or unknowingly, during the bid evaluation period or during the contract period.

The Contracting Authority will have the right to ask for additional information to verify the Bidder's certifications. Failure to comply and to cooperate with any request or requirement imposed by the Contracting Authority will render the bid non-responsive or constitute a default under the Contract.

5.1 Certifications Required with the Bid

Bidders must submit the following duly completed certifications as part of their bid:

Medical Devices Establishment License (MDEL)

5.2 Certifications Precedent to Contract Award and Additional Information

The certifications and additional information listed below should be submitted with the bid, but may be submitted afterwards. If any of these required certifications or additional information is not completed and submitted as requested, the Contracting Authority will inform the Bidder of a time frame within which to provide the information. Failure to provide the certifications or the additional information listed below within the time frame provided will render the bid non-responsive.

5.2.1 Integrity Provisions – Required Documentation

In accordance with the section titled Information to be provided when bidding, contracting or entering into a real property agreement of the [Ineligibility and Suspension Policy](http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html) (<http://www.tpsgc-pwgsc.gc.ca/ci-if/politique-policy-eng.html>), the Bidder must provide the required documentation, as applicable, to be given further consideration in the procurement process.

5.2.2 Federal Contractors Program for Employment Equity - Bid Certification

By submitting a bid, the Bidder certifies that the Bidder, and any of the Bidder's members if the Bidder is a Joint Venture, is not named on the Federal Contractors Program (FCP) for employment equity "FCP Limited Eligibility to Bid" list available at the bottom of the page of the [Employment and Social Development Canada \(ESDC\) - Labour's](https://www.canada.ca/en/employment-social-development/programs/employment-equity/federal-contractor-program.html) website (<https://www.canada.ca/en/employment-social-development/programs/employment-equity/federal-contractor-program.html>).

Canada will have the right to declare a bid non-responsive if the Bidder, or any member of the Bidder if the Bidder is a Joint Venture, appears on the "FCP Limited Eligibility to Bid" list at the time of contract award.

Canada will also have the right to terminate the Contract for default if a Contractor, or any member of the Contractor if the Contractor is a Joint Venture, appears on the "[FCP Limited Eligibility to Bid](#)" list during the period of the Contract.

The Bidder must provide the Contracting Authority with a completed annex [Federal Contractors Program for Employment Equity - Certification](#), before contract award. If the Bidder is a Joint Venture, the Bidder must provide the Contracting Authority with a completed annex Federal Contractors Program for Employment Equity - Certification, for each member of the Joint Venture.

5.2.3 Additional Certifications Precedent to Contract Award

5.2.3.1 Product Conformance

The Bidder certifies that all goods proposed conform, and will continue to conform throughout the period of the contract, to the requirement detailed under Annex A.

Bidder's authorized representative signature

Date

5.2.3.2 Diverse (underrepresented) suppliers

PSPC promotes social procurement which creates greater inclusiveness and opportunities for participation by underrepresented groups in federal government procurement. Groups currently included in the pilot program are women, persons with disabilities, visible minorities, and Indigenous peoples. These underrepresented supply groups will be referred to as diverse suppliers and will have the opportunity to self-identify when submitting their bid.

“Indigenous business” means an entity which is:

- a sole proprietorship
or
 - a limited company
 - a co-operative
 - a partnership
 - a not-for-profit organization in which Indigenous persons (First Nations, Inuit, Métis) have at least 51 per cent ownership and control
- or

A joint venture consisting of two or more Indigenous businesses or an Indigenous business(es) and a non-Indigenous business(es), provided that the Indigenous business(es) has at least 51 per cent ownership and control of the joint venture.

 - (c) Invoices and order confirmations can be sent via e-mail to:
hc.p2p.east.invoices-factures.est.sc@canada.ca
 - (d) To facilitate the payment process, it is important that the Contractor quote the contract number on all the invoices, shipping bills and packing slips. Failure to do so will delay payment and the date used for calculating interest on overdue accounts.

6.8 Certifications and Additional Information

6.8.1 Compliance

Unless specified otherwise, the continuous compliance with the certifications provided by the Contractor in its bid or precedent to contract award, and the ongoing cooperation in providing additional information are conditions of the Contract and failure to comply will constitute the Contractor in default. Certifications are subject to verification by Canada during the entire period of the Contract.

6.8.2 Federal Contractors Program for Employment Equity - Default by the Contractor

The Contractor understands and agrees that, when an Agreement to Implement Employment Equity (AIEE) exists between the Contractor and Employment and Social Development Canada (ESDC)-Labour, the AIEE must remain valid during the entire period of the Contract. If the AIEE becomes invalid, the name of the Contractor will be added to the "[FCP Limited Eligibility to Bid](#)" list. The imposition of such a sanction by ESDC will constitute the Contractor in default as per the terms of the Contract.

6.9 Applicable Laws

The Contract must be interpreted and governed, and the relations between the parties determined, by the laws in force in Ontario, Canada.

6.10 Priority of Documents

If there is a discrepancy between the wording of any documents that appear on the list, the wording of the document that first appears on the list has priority over the wording of any document that subsequently appears on the list.
