**Amendment 001 is raised to answer bidder questions:**

- Q1. Regarding the delivery address: 81 Regent Street Fredericton, NB E3B 3W3 (Floor 5 and 6):
- Q1a) Can the location accommodate 53' trailers? If not, what is the maximum truck length the location can accommodate?
- A1a) No. Only up to 5 Ton truck, in back parking/alley area, otherwise, street may require blocking off.
- Q1b) Does the location have a loading dock?
- A1b) No
- Q1c) Does the location have a service elevator? Regular elevator?
- A1c) Regular Elevator only
- Q2. Table A2: Would a chair with Cantilever base and upholstered back be acceptable?
- A2 No, we will not change the requirement for mesh back and upholstered seat.
- Q3. Table A2: Would a chair with 4 post lets and mesh back be acceptable?
- A3 No, we will not change this requirement.
- Q4. Table A4: Lumbar Support: In/Out: The "In/Out" Lumbar adjustment is not specified in ergonomic guidelines, such as BIFMA G1 or CGSB 44.232. On the SA specifications in Annex A, "5.5 Lumbar Support Height – must be available as fixed or adjustable." And does not require the lumbar adjustment to be in/out. Since this could be considered preference, can you please revise this criterion as a "preference" but not mandatory on this requirement?
- A4 ANSI/BIFMA and Can/CGSB are the base standard and clients can request additional criteria over and above Annex "A" as long as it does not contradict the Annex "A" specifications of the Supply Arrangement.
- Additional criteria can be added to the requirements and we will not be removing "In/Out" from this requirement.
- Q5. Can you provide a separate Subcategory Table 1,3,6,8 for the A2 Guest Chairs only?
- A5 No, we will keep the guest chairs in the same table for design purposes.

**ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED**
