2) Answer questions below:

Question 454

Will Canada provide any opportunity to the selected contractor to negotiate on any of the contract terms upon contract award?

Answer 454

No.

Question 455

Will Canada allow for the scaling of fire service capability in accordance with flight activity? For example, if there are periods during which no military flight activity is taking place, could a contractor scale their fire crew down to satisfy ICAO 8 requirements, and scale the fire crew up to satisfy STANAG CAT 5 when military flight activity occurs?

Answer 455

No.

Question 456

In Amendment 10 Canada added Section 4.5 to Annex A for AAS Maintenance. “Goose Bay Annex I Financial Evaluation REV 6.xls” does not indicate where Annex 4.5 should be included in the pricing. Can Canada please provide clarification of where the pricing for 4.5 AAS Maintenance should be included?

Answer 456

Annex I – Financial Evaluation form and **Annex B** – Basis of Payment have been amended to include **Aircraft Arresting Systems Services** as an **Annual All-inclusive Firm Fixed Rate**.

ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED
