AMENDMENT No. 006

This amendment is raised to answer bidders' questions:

Question 1:

Ref RTC2 – Bidder's Corporate Experience – In reference to Q&A #2 (Amendment 004) for RTC1, the Crown responded *'As there are no points being allocated to the first contract, Bidder can submit the same contract identified in MC1. Points will be provided for additional contracts in excess of the one submitted under MC1 (i.e.: one contract {the one identified in MC1} = 0 points, two contracts {the one identified in MC1 plus one additional contract} = 5 points, etc.)'*.

Applying the same logic to RTC2, could the Crown please confirm that, as there are no points being allocated to the first contract at MC2, Bidder can submit the same contract identified in MC2. Points will be provided for additional contracts in excess of the one submitted under MC2 (i.e.: one contract {the one identified in MC2} = 0 points, two contracts {the one identified in MC1 plus one additional contract} = 5 points, etc.)'. Please advise.

Answer 1:

Yes

Question 2:

Amendment 4 Answer 1 granted an extension of this solicitation to July 28, 2020. Page 1 of Amendment 4, and the Buy and Sell website currently indicate the solicitation closes on July 21, 2020. Could The Crown please confirm the submission deadline is July 28, 2020 14:00 EDT?

Answer 2:

Buy and Sell website currently indicate the solicitation closes on July 28, 2020 14:00 EDT

Question 3:

Being that rated requirement RTC1 is an extension to requirement MTC1 and includes the opening statement "In addition to" would the Crown please consider amending RTC1 to also include contract parameter f) from MTC1 which requires bidders to provide references that have a minimum invoiced amount of 70% of the total value of the contract in order to ensure the Crown is getting the experience it requires from bidders to service a contract of this magnitude?

Answer 3:

Yes

QUESTION 4

To ensure complete transparency in the bidding process, would the Crown consider amending requirements RTC1, RTC2, RTC4 and RTC6b) to also require client reference signatures in order to attest that the information being provided by bidders is accurate and true?

Answer 4

Yes

QUESTION 5

Attachment 4.2, Technical Point Rated Criteria RTC1 specifies that Bidders should provide contract references where Bidders provided Application Services. Many Business and Project Management services contracts also require the provision of similar resources and services for the development of enterprise level applications and as such we would like to request that the Crown accept contract references where Bidders provided resources under different streams (i.e. Business Services, Project Management services, etc.) providing that the contract was for an enterprise level or LoB application and that Bidders are able to map similar categories to 60% of the Statement of Work?

Answer 5:

Yes/ if map similar categories to 60% of the Statement of Work as shown in the original Contract?

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
