

Question & Answer Amendment #2

Question 2

Is it necessary to have experience on Canadian web-based applications, or is it enough to justify that the web-based applications meet the standards of the Government of Canada via an equivalency?

This is in reference to the following passage on page 61 of rfp_01r11-21-c007_-_e.pdf:

“The project MUST demonstrate the Bidder’s experience providing these services for a web-based application that complies with Government of Canada standards (Web Experience Toolkit OR Canada.ca Content Style Guide or Design System)”

Answer 2

The Bidder MUST demonstrate the experience required in M1 for a web-based application that complies with Government of Canada standards (Web Experience Toolkit OR Canada.ca Content Style Guide OR Design System).
