

## **W6399-20LC64/A Questions and Answers #8**

### **Question #1**

We have one questions regarding Annex B9, SHIRT, HOT WEATHER, HYBRID, MULTICAM:

Para 3.7 (d) c.3 mention double needle stitched around all edge, and it conflicts with viewing sample which is only single needle stitch, please advise what to follow.

### **Answer #1**

Single needle stich as per the sealed sample.

Para 3.7 (d) c.3:

Delete: "Double needle stitched around all edges"

Insert: "Single needle stitched around all edges"

### **Question #2**

To further Answer #3 on Question and Answers #7, is there an updated Annex "C5"?

### **Answer #2**

See uploaded Annex C5 – Amdt 2
