2.1 Question No. 2

Question:

Color: It says white interior and exterior on the document. however, the factory want to confirm what kind of the white the buyer needs. a few option here. is it milky/cream white? bluish or yellowish? which is having a blue or yellow tinge.

Answer:

For the colour of the bag, we would like a white colour that is as close to true white as possible. We do not need a tinge of another colour.

2.2 Question No. 3

Question:

Size: is that possible to send a sample to the factory which could help they to identify the size more accurate.

Answer:

Please refer to question and answer # 1 for pictures showing the measurements of the height, width, and gusset of the bag. If a sample is required, one can be picked up from the Distribution Center on Coventry Rd. in Ottawa. If a pick-up is not possible, we will require a pre-paid waybill from Purolator or Canada Post and the Distribution Center can ship one to you.
