The purpose of this amendment is to:

1. Provide answers to Bidders' questions.

Bidders' Questions

Q1. Please confirm that ECP #5 is not part of this RFP.

The compliance with ECP#5 is only mentioned once in the SOW section A1.1.2.5. In the RFP package (i.e. main contract document and evaluation criteria), ECP #5 was not mentioned as the part of the compliance criteria.

A1. Compliance with ECP 5 is a mandatory technical requirement for the SOJTAC DACAS system as stated in Annex A para A1.1.2.5. Equipment delivered under contract must be compliant despite this particular requirement not being evaluated as part of the bid evaluation.

Q2. a. Please confirm that all of the Contractor personnel MUST have a Security Clearance with CISC-PWGSC as per the Main RFP and Statement of Work (Annex A - section A2.2.1.1.5, A2.2.1.1.5, A2.2.1.3.3, A2.2.1.4.2, A2.2.1.5.2).

b. If so, will Canada accept proof of US SECRET clearances as an equivalent level?

c. If US clearances are not acceptable, will additional time be allocated to allow CISC-PWGSC to process the security clearances? will "in progress" be deemed acceptable?

A2. a. Contractor personnel must have their security clearances as per the Main RFP and the Statement of Work.

b. Yes, U.S. based SECRET would be considered equivalent to Canadian. Foreign security assurance will be requested from CISC to ensure that a foreign organization and its personnel meet the security requirements of a solicitation request, contract or subcontract. (<https://www.tpsgc-pwgsc.gc.ca/esc-src/international-eng.html>).

Security clauses for non-Canadian bidder will be provided shortly.

c. See answer to 2.a.

Q3. How Controlled Goods Program applies for Foreign Supplier?

A3. Please refer to the following link for Exemptions from registration in the Controlled Goods Program: <https://www.tpsgc-pwgsc.gc.ca/pmc-cgp/enregistrement-register/exemptions-eng.html>
