#### **REQUEST FOR BID AMENDMENT**

#### **MODIFICATION À L'INVITATION À SOUMISSIONNER**

The Bidder offers to provide to Canada the goods, services or both listed in the bid solicitation in accordance with the conditions set out in the bid solicitation and the prices set out in the bid.

This bid solicitation is issued in accordance with the conditions of the Supply Arrangement E60PQ-140003/PQ.

Le soumissionnaire offre de fournir au Canada les biens, services ou les deux énumérés dans la demande de soumissions aux conditions prévues dans la demande de soumissions et aux prix indiqués dans la soumission.

Cette demande de soumissions est émise conformément aux conditions de l'arrangement en matière d'approvisionnement E60PQ-140003/PQ.

#### Amendment 002

To all bidders,

NO consideration will be given for extras and/or changes because the Bidder was not familiar with the contents of this Amendment.

This amendment 002 is raised to :

- 1) Answer questions from bidders;
- 2) Modify Annex A- Requirement and Basis of Selection.

#### 1) Questions & Answers

**Question 3:** Regarding the non-SA "movable walls - Quiet Area" can you confirm that it is a quantity of one (1)? Under the Quantity column it reads "21 meter Li."

**Answer 3:** This item has been deleted. Please refer to revised Annex A- Requirement and Basis of Selection (see pages 4 to 21 below).

**Question 4:** Item 1 – Your asking for 3 Privacy Screens 54" length, but there is no surface required of this size. Do they go with Item 4 - Category 2?

Answer 4: This item will be associated with item 5 category 2. The panel is shorter than the surface.

**Question 5:** Item 2 - GOCUID is for a quantity of 7 surfaces of 29 x 72 that hook onto panels ... but there are no panels in the order. Can you specify your need?

Answer 5: We already have the panels and the C-legs that matches our panel system. We only need the surfaces.

Question 6: Item 10 - Can you specify the required height of removable walls as well as the height of the ceiling?

Answer 6 : Item 10 has been deleted.

**Question 7:** Item 12 - you are requesting 38 double lockers (therefore 2 doors high), maximum total height of 54 ". Would an 18 "wide x 20" deep x 25 "high (approximately) product be acceptable?

Answer 7: That is acceptable, as long as the maximum height of 54" is observed.

Question 8: In your plan, only 20 lockers are identified. Could you clarify?

**Answer 8:** We ordered extra lockers. Please refer to the quantities listed in the order and not in the floor plan as part of this RFB.

Question 9: Item 23 - I do not see this item (curved chair) in the plan. Could you clarify?

Answer 9: Please make sure you refer to the quantity indicated in the order and not in the floor plan when bidding.

Question 10: Item 32 - I don't see this item in the plan? Could you clarify?

Answer 10: Please make sure you refer to the quantity indicated in the order and not in the floor plan when bidding.

**Question 11 :** After reviewing the CAD document, would it be possible for the items to be identified on the plan to ensure that the specified products match?

Answer 11 : This as been added to the CAD version.

**Question 12:** We request that Category 6 be split into Sub-Categories as divided in the CST/product type - 1) Meeting and Collaborative Tables, 2) Soft Seating/Screens, 3) Kitchenette Seating and 4) Open Area Workspaces.

Answer 12: For compatibility reasons, we will not subdivide this category.

**Question 13:** Item 23 - SA criteria requires back rest to be no less than 8.5 inches from seat top. Product can qualify on SA but not meet non SA critieria for Item #33. Based on this can this item be split off the rest of Cat 6 as it incorporates a Non SA item as part of its criteria?

**Answer 13:** Item 33 is no longer connected to item 23 but with item 26. It won't be a curvilinear tablet it will be linear. See Annex A below (pages 4 to 21).

**Question 14:** Item 30 - Request is for Bent Plywood, 4 legs (GoCUID KBSBHxxLP15XXXROYX) - Would either GoCUID 6KBSBHxxSP15XXXRONX (Bent Plywood, no seat, with Sled Base) or GoCUID 6KBSBHxxLY15XXXROYX (Polymer, seat, with 4 legs) be acceptable as an alternate?

Answer 14: Yes.

**Question 15:** Items 34 & 35 - these products are manufacturer specific and have no equivalent with other manufacturers - can they be split off from this category?

Answer 15: Items 34 and 35 have been deleted. See Annex A below (pages 4 to 21).

#### 2) Modify Annex A- Requirement and Basis of Selection;

**DELETE:** Annex A- Requirement and Basis of Selection in its entirety.

**INSERT:** The following Annex A- Requirement and Basis of Selection (see pages 4 to 21 below).

#### ALL OTHER TERMS AND CONDITIONS REMAIN UNCHANGED.

### **Combined Categories Rule:**

For reasons of compatibility, the following categories will be combined for evaluation and contract award purposes:

The rule only applies to the categories below that are checked. The unchecked categories will be evaluated separately and may be awarded to multiple suppliers;

Category 1

Category 2

Category 5

\* Exception: when using the Cat 1, 2, 5 combined categories rule, IU's may calculate the percentage of NSA product allowed (as defined in their solicitation document) against the total quantity of the combined categories.

#### Design Upgrade Rule:

The IU may exercise an option to upgrade products up to 20% of each Category product total before Applicable Taxes after contract award.

The Design Upgrade amount is used at the discretion of the Project Authority (PA) prior to the

**manufacturing/ordering of the products**, the PA will provide the Contractor with a written notice of Canada's Design Upgrade choices for each of the product(s) to be upgraded. The Contractor will provide the pricing of the upgraded product(s) to a maximum of 20% of each Category Contract Price of Table 8. The Contracting Authority will issue an amendment to the contract with the Design Upgrades and pricing.

The Supplier certifies that all the Design Upgraded products offered will conform to all specifications and meet the testing requirements detailed in the Specifications of the Supply Arrangement.

Design Upgrade: is the process of replacing a product with a more innovative or enhanced version of the same product.

#### NSA:

NSA products can be incorporated in the RFB and must not exceed 30% of the firm quantity by category. NSA items must be added to the category that is most closely related and must be generic.

The requirement includes the following category (ies) of work :

a. Category 1 – Interconnecting Panels and Freestanding Systems

Category 1a – Interconnecting Panels (Refer to Annex C)

Category 1b – Supporting components and freestanding furniture

RULE: Metal Storage

Identified Users may procure metal storage products forming part of Category 1 when the metal storage products will be part of a requirement for a workstation(s)/work point(s). If this rule does not apply, Category 3 must be used for the metal storage products forming part of this category.

b. 🔀 Category 2 – Freestanding Height Adjustable Desk / Table Products

c. 🔀 Category 3 – Metal Filing and Storage Cabinets

Identifying the maximum height of the Personal Storage Towers, Wardrobes and Storage Cabinets is acceptable as per 6B. 4.1 of the SA (table 1 Additional product details)

- d. Category 4 Wood Veneer Freestanding Products
- e. 🔀 Category 5 Ancillary and Lighting Products
- f. 🔀 Category 6 Support Space Collaborative Furniture

**RULE:** Category 6 can be further subdivided by space or like product in order to increase or allow competition. Space is defined as a location available for a particular purpose such as a meeting room space or a collaborative space. Like products are defined as products with similar design and construction. If NSA products form part of the requirement, the IU must validate the 30% NSA prior to subdividing the category. NSA products can be added to any subdivide or in its own subdivide.

The IU must identify how Category 6 will be subdivided in the Product Table for Category 6.

g. XSA Product(s) – <u>Category: 6</u>

### 2. Product and Pricing Tables

<u>Site Inspection Date:</u> To be coordinated with Project Authority after contract award. (*Refer to Annex A article 4 of the SA for Site Inspection and Documentation instructions.*)

INSTRUCTIONS TO BIDDERS: Bidders are to complete Sections B of the tables identified by the IU in this article as well as Tables 8 and 9. Bidders must provide a complete product offering for each category, or CAT 6 sub-divide they wish to submit a bid in order to be compliant.

\*\*Refer to article 6A.7 for instructions on how to submit products that are not approved in product listing.\*\*

In a resulting contract, the term "Bid" means the Supplier's commitment, the term "Bidder" means "Contractor".
