Background of Requirement

- Amount of PPE ordered in response to COVID-19 is beyond PHAC's capacity to receive and store supplies in their warehouses.
- PHAC requires the assistance of a major logistics service provider for an overall solution including, but not limited to, customs brokerage, receipt of goods, deconsolidation, warehousing, etc.
- PHAC requires a major logistics service for transportation from port entry and local suppliers, and distribution services, as well as inventory management.
