Solicitation Amendment 001 is issued to respond to bidder's questions.

Question 1:

Would you consider a minimal nominal length between 4.5m and 6.5m if the rescue boat meets all other requirements?

Answer 1:

No, in accordance with the Statement of Requirements, section 8.1, "The boat must have a nominal length of 6 metres. (NB: Actual length must be within +/- 0.5 m as measured from the bow extremity to the transom)"

Question 2:

In Annex F Rescue Boats No. 1 and 2- it mentions showing TC approval; however, in other parts of the RFP it states it is acceptable to supply certification by the delivery date. This also pertains to the section on davits.
