Amendment 001 is raised to:

1. Answer bidder questions;
2. Amend Part 2: Category 6A, Table 1

1. Bidder Questions and Answers

Q1: Item number 24 for Category 6A is a lounge chair. Part of the additional information says to price Crypton upholstery "if option available". Can you please clarify how this will be evaluated? Crypton fabric is very expensive, if the option is "not available" then we can price Grade A which is much less expensive. May we respectfully suggest bidding this as base grade or vinyl fabric and using the upgrade clause to purchase Crypton after award so all bids may be evaluated equally.

A1: Remove "if option available", Crypton fabric is required on sides & high back.

2. Under Part 2 : Category 6A, Table 1 – Product Table:
