This amendment 002 is raised to answer the following questions from industry and amend Solicitation 5P420-190663/A as follows:

Question 1:

What are you looking to have priced out for line item 7 in Annex B? Can you please explain in more detail?

Response 1:

We are looking for the shipping cost to Calgary based on the volume ranges (g) – (i)

For example;

If we were to order 1-9 items what would the shipping cost be for that range?

If we were to order 10-19 items what would be the shipping cost for that range?

If we were to order 30 or more items what would be the shipping cost for that range?

Please see page 2 the amended basis of payment.

The solicitation is amended as follows:
