Part 1. Interpretation

- 1.1** Elections Canada hereby amends in accordance with this amendment the Request for Proposal bearing number ECCS-RFP-20-0122 and dated July 16, 2020 (the “RFP”). This amendment hereby forms part of the RFP.
- 1.2** Unless defined herein or unless the context otherwise requires, all of the words and phrases defined in the RFP and used in this amendment shall have the same meanings assigned to them in the RFP.

Part 2. Questions and Answers

The following question(s) have been asked in response to the Request for Proposal and Elections Canada hereby answers as follows:

2.1 Question No. 4

Question:

The bag is 37” wide that requires a specific print cylinder of 37”. In most cases this is very large for many conventional printing presses. Would you be open to having the Elections Canada logo printed twice on the same bag? We would be using an 18” print cylinder and this would decrease the bag width to 36”. The next cylinder size is 20”, thus increasing the bag width size to 40”.

Answer:

Due to a large quantity of bags already in stock that are 37”, we cannot accept changes to the dimensions or the design of this bag.
