This amendment is raised

- 1) To answer a question from a bidder; and
- 2) Amend the solicitation.

1) **To answer a question from a bidder**
Question:

Please clarify the contradiction in Section IV instructions, page 33 of the RFP. Does the 50 page limit exclude #5, the appendices or not?

IV TECHNICAL AND MANAGEMENT PROPOSAL

The proposal must address **only one Stream** and all relevant material should be contained within **a single document/file**. The information should be organized in the following order:

1. Title/Project Identification Page (Appendix C-1);
2. Executive Summary;
3. Table of Contents;
4. Technical and Management Sections; and
5. Appendices.

The entire Technical and Management proposal (1-5) should not exceed fifty (50) pages in length, exclusive of appendices.

Answer:

The appendices are not included in the 50-page limit.

The objective is to obtain a full proposal including all the elements (1 to 5) but limited to 50 pages outside the appendices.

- 2) **Amend the solicitation.**
