**Amendment 001 is being raised to amend PART 4 - EVALUATION PROCEDURES AND BASIS OF SELECTION article 4.1 Evaluation Procedures**

---

**1. 4.1 Evaluation Procedures**

**DELETE:** In its entirety

**INSERT:**

**4.1 Evaluation Procedures**

- (a) Offers will be assessed in accordance with the entire requirement of the Request for Standing Offers including the technical and financial evaluation criteria.
- (b) An evaluation team composed of representatives of Canada will evaluate the offers.
- (c) The evaluation team will determine if there are two or more offers with a valid Canadian Content certification with the offers coming from two or more Offerors that are not affiliated within the meaning used in the Competition Act, R.S.C., 1985, c. C-34. In that event, only those offers with a valid certification will be eligible to be awarded a contract; otherwise, all offers will be eligible. If at any point in the evaluation process it is found, whether by determination of invalidity of certifications, determination that offers are non-responsive or withdrawal of offers by Offerors, that there are no longer two (2) or more responsive offers with a valid certification, then all responsive offers will be eligible to be awarded a contract. Canada may conduct the validation of Canadian content certifications at any time in the evaluation process including doing so concurrently with other steps.

**If your offer has already been submitted and you wish to provide an amended offer, the amended offer must be submitted using epost Connect service to PWGSC Ontario Region Bid Receiving Unit by the date and time indicated on page 1 of the RFSO.**
