Amendment 001

Hangar Door Service Contract

This amendment was raised to a answer question:

Questions #1

Pricing Base: for all emergencies non-scheduled as below: would this be including the lift? If so this will be very expensive.

Less expensive would be for emergency to have a separate price item for the boom lift if required.

Serial	Task
5	Hangar Door Technician, emergency non-scheduled First Hour, to include all overhead, materials, tools, equipment and transportation, and one hour on-site productive labour, during or outside of normal working hours, weekends or holidays, when a 4 hour response is required, to be charged only once per call-up.

Answer #1

Yes, pricing is to include all overhead, materials, tools, equipment and transportation which includes the lift.
