AMENDMENT NO. 005

This amendment is raised to answer Bidders' questions.

QUESTIONS AND ANSWERS:

Question 15:

MTC1 (f) requires the Bidder to "... demonstrate similar resource categories by mapping at least 70% of the SOW tasks of this requirement to the tasks of the resource category identified in the reference contract."

MTC1 further states, "If the Bidder's reference contract does not have a Statement of Work with a list of detailed tasks, the Bidder must provide a list of tasks performed under the reference contract that can be confirmed and validated by the Client Reference for the reference contract."

- (a) Can the Crown please confirm that the bidder is to map 3 separate resource categories to the SOW, whereby 6 individual resources were placed under those categories? The bidder must still provide a 'Brief Description of Services' per resource.
- (b) Can the Crown please confirm that the bidder is not to map 6 separate resources individually to the SOW categories?

Answer 15:

- (a) The bidder must have placed 6 resources (same or similar) under 3 (or more) resource categories in the SOW. The Bidder must demonstrate similar resource categories by mapping at least 70% of the SOW tasks of this requirement to the tasks of the resource category identified in the reference contract. MTC1 criterion asks for a brief description of all resources as per g) iv.
- (b) For work that not performed under a TBIPS or ProServices contract, the Bidder is required to map the 6 resources to the tasks for that resource category.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
