This amendment (2) seeks to make the following changes as well as answer vendor questions.

- 1) At **Annex "B" – Basis of payment**, delete in its entirety and replace with Annex "B" attached hereto.
- 2) Questions and answers

Q12: It is hard to price the windows correctly with no known sizes due to the minimum size glass charges we incur and the wooden crating and packaging charges we incur. We really think there needs to be a 12 Sq. Ft. minimum per window.

A12: The minimum window size will be 5 sq./ft. Please see changes in attached Annex "B".

All other terms and conditions remain unchanged
