AMENDMENT NO. 006

This amendment is raised to answer Bidders' questions.

QUESTIONS AND ANSWERS:

Question 16:

In regards to MTC1 (e), if a bidder presents a resource that is working on one (1) contract for two (2) separate, distinct assignments (TAs) BUT under different resource categories (i.e. the first assignment as a Programmer/Analyst and the second as a Systems Analyst), can the crown confirm that this will count as 2 of the 15 required resources?

Answer 16:

The crown confirms that a resource working in 2 separate categories would count as 2 of the 15 required resources in MTC1 (e), provided that different resources are being submitted to represent each of the 5 different resource categories as required in MTC1 (f). A resource cannot be named more than once for the same resource category. In situations in which a proposed resource worked at the same time on one contract for 2 separate, distinct assignments, the duration of any overlapping time period will be counted only once towards any requirements that relate to the individual's length of experience.

Question 17:

Due to the amount of work required to put together a quality proposal in response to an RFP of this size, can the Crown please provide bidders with an extension to August 27th, 2020?

Answer 17:

The closing date has been extended to August 27, 2020.

ALL OTHER TERMS AND CONDITIONS REMAIN THE SAME.
